## EXECUTIVE SUMMARY

The Village applied for assistance from the Chicago Metropolitan Agency for Planning (CMAP) through their Local Technical Assistance program (LTA) for the creation of a Bicycle and Pedestrian Plan. The Village of Streamwood applied for the assistance through the same program for the same Plan, so CMAP approached both Villages about doing a joint, multi-jurisdictional Bicycle and Pedestrian Plan through the LTA Program. The creation of this Plan will assist in the Village in achieving goals from the Strategic Plan.

The joint plan will be created to plan for the most effective and preferred path system through both Villages. The consultant will utilize their own technical knowledge, Village Staff, public officials and open public meetings to create this plan that will benefit the entire area.

CMAP has drafted an Intergovernmental Agreement, which is attached for review, initially the Plan was thought to be CMAP Staff-led, however, upon further review, CMAP thought it would be best to hire a consultant for the project due to its size and scope. The Village's local share for the cost of hiring a consultant is expected to be \$15,000. The funds would be due to CMAP by November, 2020. Both Villages will enter into a separate IGA for their respective partnership with CMAP.

## RECOMMENDATION

Staff recommends passing of the Resolution and entering into an Intergovernmental Agreement with CMAP for the creation of the Bike/Ped Plan.

**1. Complete Agreement.** This Agreement including all exhibits and other documents incorporated or referenced in the Agreement, constitutes the complete and exclusive statement of the terms and conditions of the Agreement between CMAP and the GOVERNMENTAL BODY and it supersedes all prior representations, understandings and communications regarding this PROJECT. The validity in whole or in part of any term or condition of this Agreement shall not affect the validity of other terms or conditions of this Agreement

- a) CMAP's failure to insist in any one or more instances upon the performance of any terms or conditions of this Agreement shall not be construed as a waiver or relinquishment of CMAP's right to such performance by the GOVERNMENTAL BODY or to future performance of such terms or conditions and the GOVERNMENTAL BODY's obligation in respect thereto shall continue in full force and effect. The GOVERNMENTAL BODY shall be responsible for having taken steps reasonably necessary to ascertain the nature and location of the work, and the general and local conditions that can affect the work or the cost thereof. Any failure by the GOVERNMENTAL BODY to do so will not relieve it from responsibility for successfully performing the work without additional expense to CMAP.
- b) CMAP and the GOVERNMENTAL BODY assume no responsibility for any understanding or representations made by any of its officers, employees or agents prior to the execution of this Agreement, unless such understanding or representations by both parties are expressly stated in this Agreement.
- c) Changes: CMAP and the GOVERNMENTAL BODY may from time to time order work suspension or make any change in the general scope of this Agreement including, but not limited to changes, as applicable, in the drawings, specifications, delivery schedules or any other particular of the description, statement of work or provisions of this Agreement. If any such change causes an increase or decrease in the cost or time required for performance of any part of the work under this Agreement, CMAP shall promptly notify the GOVERNMENTAL BODY and assert its claim for adjustment within thirty (30) days after the change is ordered. A written amendment will be prepared for Agreement between CMAP and the GOVERNMENTAL BODY for changes in scope, time and/or costs. No amendments are effective until there is a written Agreement that has been signed by both parties.
- d) Changes to any portion of this Agreement shall not be binding upon CMAP and the GOVERNMENTAL BODY except when specifically confirmed in writing by an authorized representative of CMAP and an authorized representative of the GOVERNMENTAL BODY.
- e) For its convenience, CMAP reserves the right to extend the Term of this agreement. Any changes to the Term of this Agreement shall not be binding until specifically confirmed in writing by authorized representatives of both parties.

**2. Compliance/Governing Law.** The terms of this Agreement shall be construed in accordance with the laws of the State of Illinois. Any obligations and services performed under this Agreement shall be performed in compliance with all applicable state and federal laws.

**3. Availability of Appropriation (30 ILCS 500/20-60).** This Agreement is contingent upon and subject to the availability of funds. CMAP, at its sole option, may terminate or suspend this Agreement, in whole or in part, without penalty, if the Illinois General Assembly, the state funding source, or the federal funding source fails to make an appropriation sufficient to pay such obligation, or if funds needed are insufficient for any reason. The GOVERNMENTAL

BODY will be notified in writing of the failure of appropriation or of a reduction or decrease in appropriation.

Allowable Charges.** No expenditures or charges shall be included in the cost of the PROJECT that are: (i) contrary to provisions of this Agreement or the latest budget approved by a duly-authorized official of CMAP and the GOVERNMENTAL BODY; (ii) not directly for carrying out the PROJECT; (iii) of a regular and continuing nature, except that of salaries and wages of appointed principal executives of CMAP who have not been appointed specifically for the purposes of directing the PROJECT, who devote official time directly to the PROJECT under specific assignments, and respecting whom adequate records of the time devoted to and services performed for the PROJECT are maintained by CMAP may be considered as proper costs of the PROJECT to the extent of the time thus devoted and recorded if they are otherwise in accordance with the provisions hereof; or (iv) incurred without the consent of CMAP after written notice of the suspension or termination of any or all of CMAP's obligations under this Agreement.

**5. Audits.** The records and supportive documentation for all completed projects are subject to an on-site audit by CMAP and the GOVERNMENTAL BODY. CMAP and the GOVERNMENTAL BODY reserve the right to inspect and review, during normal working hours, the work papers of the independent auditor in support of their audit report.

**6. Access to Records.** CMAP and the GOVERNMENTAL BODY shall maintain, for a minimum of **three years** after the completion of the Agreement, adequate books, records and supporting documents related to the Agreement which shall be made available for review upon request. Failure to maintain the books, records and supporting documents required by this Section shall establish a presumption in favor of CMAP for the recovery of any funds paid by CMAP under the Agreement for which adequate books, records and supporting documentation are not available to support their purported disbursement. In addition:

Procurement of products or services with any Agreement funds that are in excess of \$10,000 will require CMAP to use the Invitation for Bid process or the Request for Proposal process. In the absence of formal codified procedures the procedures of CMAP will be used. CMAP may only procure products or services from one source with any Agreement funds if: (1) the products or services are available only from a single source; or (2) after solicitation of a number of sources, competition is determined inadequate.
- c) Records. CMAP and the GOVERNMENTAL BODY shall maintain records sufficient to detail the significant history of procurements. These records shall include, but are not necessarily limited to: information pertinent to rationale for the method of procurement, selection of contract type, contractor selection or rejection, and basis for the cost or price.
- d) No CMAP or GOVERNMENTAL BODY employee shall participate in the procurement of products or services if a conflict of interest, real or apparent, would be involved. No employee shall solicit or accept anything of monetary value from bidders or suppliers.

**10. Suspension.** If the GOVERNMENTAL BODY fails to comply with the special conditions and/or the general terms and conditions of this Agreement, CMAP may, after written notice to the GOVERNMENTAL BODY, suspend the Agreement, pending corrective action by the GOVERNMENTAL BODY. - b) Upon notice of termination by either party, CMAP shall (i) promptly discontinue all services affected (unless the notice directs otherwise) and (ii) deliver or otherwise make

available to the GOVERNMENTAL BODY all data, drawings, specifications, reports, estimates, summaries and such other information and materials as may have been accumulated by CMAP in performing this Agreement, whether completed or in process.
