## EXECUTIVE SUMMARY

On March 11, 2021, on behalf of multiple Chicagoland communities, the Village of Winnetka opened joint-bids for a 3-year "Pavement Rejuvenation Contract". Corrective Asphalt Materials, LLC (CAM) was the low bidder and awarded the contract. Provisions of the contract state the awarded unit prices will be in effect for a minimum of thirty-six (36) months from the time of award, and CAM has agreed to hold their unit price for the Village in its final year.

CAM has been applying Reclamite on our newly paved streets for several years. In working with CAM, we find them to be both professional and responsive. Their project experience with pavement treatments and sealers is more than satisfactory.

## RECOMMENDATION

Staff recommends that the contract for Pavement Preservation be renewed with CAM, LLC for the FY23/24 project in the not-to-exceed amount of \$150,000. Any remaining funds will be returned to the MFT account to be used at a later date.

**From:** Nick Talarico, Civil Engineer  
**Subject:** **2023 Pavement Preservation Project**  
**Date:** June 12<sup>th</sup>, 2023

In an effort to extend the life of our asphalt pavements, we apply a product called Reclamite to our newly resurfaced streets and paths. Reclamite is a pavement rejuvenator that helps prevent and delay asphalt pavement failures.

On March 11, 2021, the Village of Winnetka opened bids for their 3-year "Pavement Rejuvenation Contract", which was a joint bid including Winnetka and 9 other Chicagoland communities. Corrective Asphalt Materials, LLC (CAM) was the low bidder and awarded the contract. Provisions of the contract state the awarded unit prices will be in effect for a minimum of thirty-six (36) months from the time of award, and CAM has agreed to hold their unit price for the Village in its final year. This price includes pavement sweeping before and after the application, and resident notifications.

CAM has been applying Reclamite on our newly paved streets for several years. In working with CAM, we find them to be both professional and responsive. Their project experience with pavement treatments and sealers is more than satisfactory.

## **RECOMMENDATION**

Staff recommends that the contract for Pavement Preservation be renewed with CAM, LLC for the FY23/24 project in the not-to-exceed amount of \$150,000. Any remaining funds will be returned to the MFT account to be used at a later date.
