Amount: \$100,000.00 (not to exceed) Budgeted: \$100,000.00

List what fund: MFT Fund

EXECUTIVE SUMMARY

In an effort to extend the life of our asphalt pavements, we apply a product called Reclamite to our newly resurfaced streets and paths. Reclamite is a pavement rejuvenator and sealer that helps prevent and delay asphalt pavement failures.

On March 11, 2021, the Village of Winnetka opened bids for their 3-year "Pavement Rejuvenation Contract", which was a joint bid including Winnetka and 9 other Chicagoland communities. Corrective Asphalt Materials, LLC (CAM) was the low bidder and awarded the contract. This contract is part of the Municipal Purchasing Initiative, and CAM has agreed to extend their unit price for of \$0.94 per square yard to the Village of Bartlett for this year's program. This price includes pavement sweeping before and after the application, and resident notifications.

CAM is the sole source provider of Reclamite in the Midwest Region. In working with CAM last year, we found them to be both professional and responsive. Their project experience with pavement treatments and sealers is more than satisfactory.

RECOMMENDATION

Staff recommends that the 2022 Pavement Preservation Project be awarded to CAM, LLC in the not-to-exceed amount of \$100,000.00. Any remaining funds will be returned to the MFT account to be used at a later date.
