## EXECUTIVE SUMMARY

The police department is requesting authorization to purchase (2) two 2023 Ford Utility Police Interceptor Vehicles through the Suburban Purchasing Cooperative Contract #204 to Currie Motors Fleet in Frankfort, Illinois. The FY 2022/2023 budget provided \$72,000 for the purchase of (2) two 2022 Ford Interceptor Utility Police Vehicles. In May of 2022, Currie Motors Fleet unexpectedly indicated Ford was no longer building or selling 2022 Ford Interceptor Utility Police Vehicles. The police department recently learned Currie Motors Fleet was accepting orders for the 2023 Ford Interceptor Utility Police Vehicles. The total price for these (2) two vehicles, including delivery is \$81,716.00, which is an increase of \$9,716.00 from what the police department originally budgeted. The increased cost is due to rising material costs and higher delivery fees.

These vehicles would be purchased as part of the police department's normal vehicle rotation as budgeted in the Vehicle Replacement Fund. The vehicles are expected to be delivered in 7-10 months from the time the order is placed with Currie Motors Fleet.
