WATER WELL ABANDONMENT
PROJECT AGREEMENT

This Water Main Replacement Project Agreement (the "Agreement") is entered this 7th day of June, between the Village of Bartlett, an Illinois home rule municipality (the "Village" or "Owner") and Water Well Solutions Illinois, LLC. (the "Contractor") (collectively, the "Parties").

IN CONSIDERATION of the covenants and conditions herein and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged by the Parties, the Parties hereby agree as follows:

1. Project Work.

a. This project consists of the proper abandonment and fill of four (4) municipal water wells. Wells 1 and 2, 300 S. Main St. in Cook County, Well 5 at 818 Kent Circle in DuPage County and Well 8 at 401 Schick Rd in DuPage County. All Project Work shall be performed in strict compliance with the below defined Contract Documents.

b. Contract Documents mean and include: (i) this Agreement; (ii) General Conditions and Instructions to Bidders and General Requirements attached hereto and incorporated herein; (iii) all Specifications, Plans and Drawings attached hereto as and incorporated herein; (iv) the Performance and Payment Bond or Letter of Credit as defined herein; and (v) Addenda #1 attached hereto and incorporated herein (collectively, the "Contract Documents"). The Contract Documents are expressly incorporated into and made a part of this Agreement as though fully set forth herein. In the event of any conflict between the terms and conditions of any of the Contract Documents, the most stringent requirements shall control.

2. Completion Date. Contractor shall complete the Project Work in strict compliance with the requirements herein on or before sixty (60) days following the notice to proceed.

3. Payment Procedure. The payment procedures are as follows:

A. All payments under the Agreement shall be based on the unit prices set forth in Contractor's Schedule of Prices (the "Unit Pricing"); attached hereto and incorporated and based on actual quantities supplied and installed/constructed by the Contractor in accordance with the terms and conditions herein, as determined and certified by the Village or its Engineer.
Neither Owner nor Engineer guaranty the accuracy of the estimated units for completion of the Project Work. In no event shall Contractor be entitled to any additional compensation for lost profits and/or revenues due to estimated units exceeding actual units.

B. In addition to the payment request documentation set forth under the Contract, Contractor shall provide the following documentation to the Village and the Engineer:

(i) Contractor shall provide monthly invoices to the Village throughout the Project Work. It shall be a condition precedent to the Village obligation to make a monthly progress payment that the Contractor shall have submitted to the Engineer, on or before the first day of the month in which the Contractor is applying for a payment, the following documentation, which shall hereinafter collectively be referred to as the "Contractor's Progress Payment Documents".

(ii) An itemized Application of Payment for operations completed in accordance with the schedule of values, supported by such data to substantiate the Contractor's right to payment as the Village and the Engineer may require, such as copies of requisitions from material suppliers, and reflecting a 5% retainage until after final acceptance has been made by the Village. Payment shall be further reduced by such additional amounts that the Village determines for non-conforming work and unsettled claims.

(iii) A general Contractor's Sworn Statement in form customarily used by Chicago Title and Trust Company. ("Contractor's Sworn Statement")

(iv) Current Partial Waivers of Lien from the Contractor and from all subcontractors of every tier and all of the material suppliers that supplied labor and/or material in connection with the Project covering such period.

(v) All of the Contractor's Progress Payment Documents shall be signed, sworn to and notarized.

(vi) Certified Payrolls (defined below)

(vii) Such additional documentation and/or information requested by the Village and /or Engineer relative to said payment.

C. It shall be a condition precedent to any payment required by the Village hereunder, that the Village and the Engineer has determined that the Project Work being invoiced is free from any defects and has been completed in strict compliance with the terms and conditions herein. The Village shall deduct from the final payment hereunder, amounts as determined for incomplete work, including but not limited to punch list work, and any required Restoration Work, and for any unsettled claims. Payments shall be further contingent upon the consent of the surety issuing the performance and payment bonds and/or other bond hereunder to said payment. Any amounts required to be withheld from said payment by the surety shall be withheld without any liability to the Village.

D. Following completion of the Project Work, Contractor shall furnish the Village the following documents: (1) final lien waivers from (i) Contractor; (ii) all subcontractors of every tier that furnished labor and/or materials for the Project Work; and (iii) all suppliers that furnished materials in connection with the Project Work; all of which shall

be signed and notarized; (2) Certified Payrolls; and (3) such additional documentation and/or information requested by the Village relative to said payment.

E. In the event the Contractor, and or Village and/or Engineer is in receipt of any claim(s) for lien and/or other notice of any claim in connection with the Project, the amount claimed shall be held out from payment for a period of at least 120 days to determine whether said claimant files a lawsuit to foreclose or otherwise adjudicate its lien claim. In the event a lawsuit is in fact filed within the statutory period, the Village, in its sole discretion, may elect to (a) file an interpleader action and/or intervene in the lawsuit and deposit the amount in question with the Clerk of the Court or (b) continue to hold said disputed sum until the lawsuit has been fully adjudicated or settled, or (c) elect to pay said disputed sum to the Contractor after having first received such additional indemnification agreement(s) and surety bond(s) as are acceptable to the Village. In the event the lien claimant fails to file a lawsuit within the applicable statutory period, the Contractor shall either furnish a release or final waiver from said lien claimant or furnish the Village with an indemnification agreement and an additional mechanic's lien bond in form approved by the Village issued by a surety company acceptable to the Village.

F. It shall also be a condition precedent to any payment hereunder that contractor must complete and submit certified payrolls to the Village covering all payouts no less than once a month in strict compliance with the Prevailing Wage Act (820 ILCS 130/01, et seq.) (the "Certified Payrolls"). The Village will not process or release any payments prior to receiving the Certified Payrolls relative to each applicable pay application.

G. Notwithstanding the foregoing, in no event shall the Village's acceptance of the Project Work, Contractor's Payment Request Documentation, Engineer's Certification, and/or the Village's payments to Contractor be deemed a waiver, express or implied, of any warranties and/or guaranties required herein.

4. Non-Discrimination. Contractor shall not discriminate against any worker, employee or applicant for employment because of religion, race, sex, sexual orientation, color, national origin, marital status, or ancestry, age, physical or mental disability unrelated to ability, or an unfavorable discharge from the military service, nor otherwise commit an unfair employment practice.

5. Compliance with Law. All goods, equipment, materials, and all labor furnished by or on behalf of Contractor and/or Contractor's agents (defined below) shall comply with all applicable federal, state and local laws, rules, regulations, ordinances, statutes, and codes relative thereto including, but not limited to, the Illinois Department of Transportation (IDOT), Federal Occupational Safety and Health Act (OSHA), the Americans with Disabilities Act of 1990 as amended, the Illinois Department of Labor (IDOL), US Department of Labor (USDOL), the Human Rights Commission, the Illinois Department of Human Rights, EEOC, Environmental laws (defined below), and all Village of Bartlett Building Code (collectively, the "Laws"). To the fullest extent permitted by law, the Contractor shall indemnify, defend, and hold harmless the Village of Bartlett and its, officials, officers, agents, consultants from loss or damage, including

but not limited to, attorney's fees, and other costs of defense by reason of actual or alleged violations of any of the Laws. In the event of any conflict and/or inconsistencies between any of the Laws, the most stringent Laws shall be controlling and applicable to the Project Work. This obligation shall survive the expiration and/or termination of this Agreement.

6. Indemnification. To the fullest extent permitted by law, the Contractor shall indemnify, defend and hold harmless the Village of Bartlett, and its officials, officers, employees, agents, consultants, successors and assigns (collectively, the "Indemnified Parties"), against all injuries, deaths, damage to property, loss, damages, claims, suits, liens, lien rights, liabilities, judgments, costs and expenses which may in any way arise directly or indirectly from the Project Work, Repair Work and/or Warranty Work provided hereunder, and/or any acts and/or omissions of or on behalf of the Contractor, its employees, contractors, subcontractors of any tier, suppliers, and/or agents and/or any person and/or entity acting on behalf of any of them and/or anyone directly or indirectly employed by any of them and/or anyone for whose acts and/or omissions any of them may be liable (collectively, "Contractors Agents"); except to the extent caused by the negligence of a party indemnified hereunder. In which case, Contractor shall at its own expense, appear, defend and pay all charges of attorneys and costs and other expenses arising there from or incurred in connection therewith, and if any judgment shall be rendered against the Indemnified Parties or any of them, in any such action, Contractor agrees that any bond or insurance protection required herein, or otherwise provided by Contractor, shall in no way limit the responsibility to indemnify, keep and save harmless and defend the Indemnified Parties as herein provided. This obligation shall survive the expiration and/or termination of the Agreement. Contractor shall similarly protect, indemnify and hold and save harmless the Indemnified Parties against and from any and all claims, costs, causes, actions and expenses including but not limited to attorney's fees, incurred by reason of Contractor's breach of any of its obligations under, or Contractor's default of, any provision of the Agreement. This obligation shall survive the expiration and /or termination of the Agreement.

7. Binding Obligation and Non-Assignability. Contractor shall not assign the whole or any part of this Agreement without the written consent of the Village. All subcontractors shall be approved by the Village. Any such assignment by Contractor without the Village's written approval shall be null and void.

8. Taxes. The Village is a Tax-Exempt Organization and is not subject to sales, consumer, use, and other similar taxes required by law. This exemption does not, however, apply to tools, machinery, equipment or other property leased by the Contractor, or to suppliers and materials which, even though they are consumed are not incorporated into the completed Project Work. The Contractor shall be responsible for and pay any and all applicable taxes, including sales and use taxes, on such leased tools, machinery, equipment or other property and upon such unincorporated supplies and materials. All such taxes are included in the unit pricing set forth in the Contractor's proposal.

9. Investigations by Contractor. Contractor has made such investigations as it deems necessary to perform the Project Work, including but not limited to, inspection of all Project Sites and represents and warrants that the Specifications, Plans, Drawings and other Contract Documents as defined in the General Conditions are adequate and the required result can be produced there under. No plea of ignorance of conditions that exist or of conditions or difficulties that may be encountered in the execution of the Project Work under this Agreement as a result of failure to make the necessary investigations will be accepted as an excuse for any failure or omission on the part of Contractor to fulfill in every detail all of the requirements of this Agreement, or will be accepted as a basis for any claims whatsoever, for extra compensation.

10. Insurance Coverage:

Contractor shall procure and maintain for the duration of the contract, and for three (3) years thereafter, insurance against claims for injuries to persons or damages to property which may arise from or in connection with the performance of the work hereunder by the Contractor, its agents, representatives, employees or subcontractors.

Any available insurance proceeds in excess of the specified minimum limits of insurance and coverage shall be available to the Owner.

A. Self-Insured Retentions

Contractor agrees to obtain any endorsement that may be necessary to affect this waiver of subrogation. **The Workers' Compensation policy shall be endorsed with a waiver of subrogation** in favor of the Owner for all work performed by the Contractor, its employees, agents and subcontractors. Owner shall be named as alternative employer on the Contractor's Worker's Compensation coverage.

F. Verification of Coverage
Contractor shall furnish the Owner with original certificates and amendatory endorsements or copies of the applicable insurance language, effecting coverage required by this contract. All certificates and endorsements are to be received and approved by the Owner before work commences. However, failure to obtain the required documents prior to the work beginning shall not waive the Contractor's obligation to provide them. The Owner reserves the right to require complete, certified copies of any required insurance policies, including endorsements required by these specifications, at any time.

G. Subcontractors
Contractor shall require and verify that all subcontractors maintain insurance meeting all the requirements stated herein. The cost of said Performance and Payment Bonds and/or Letter of Credit is included in the unit pricing set forth in Contractors Proposal.

12. Prevailing Wages.

Contractor shall pay prevailing wages for the respective County in which the Project Work is being performed, as established by the Illinois Department of Labor for each craft or type of work in accordance with the Illinois Prevailing Wage Act (820 ILCS 130/01, *et seq.*) (the "Act"). The Contractor shall notify immediately in writing all of its subcontractors, of all changes in the schedule of prevailing wages. Contractor shall include in each of its subcontracts a written stipulation that not less than the prevailing rate of wages shall be paid to all laborers, workers, and mechanics performing work under the Contract and shall require each of its sub-subcontractors of every tier to include said stipulation regarding payment of prevailing rate of wages. Any increase in costs to the Contractor due to changes in the prevailing rate of wages or labor law during the term of any contract and/or sub-contract of any tier shall be at the expense of the Contractor and not at the expense of the Village. The Contractor shall be solely responsible to maintain accurate records as required by the prevailing wage statute and shall be solely liable for paying the difference between prevailing wages and any wages actually received by laborers, workmen and/or mechanics engaged in the work and for ensuring strict compliance with the requirements of the Act, including but not limited to providing Certified Payrolls to the Village in accordance with the Act and as required herein. Copies of the February 2013 prevailing wage rates for Cook, DuPage, and Kane Counties, Illinois are attached hereto. Notwithstanding the forgoing, said prevailing wage rates are revised by the Illinois Department of Labor (IDOL). Contractor is solely responsible for obtaining and paying the applicable revised prevailing rate of wages for the County in which the work is being performed as determined by the IDOL for the time period in which the work is being performed. Said revised prevailing wage rates are available at IDOL's website: http://www.state.il.us/agency/idol/rates/rates.HTM.

13. Default.

In the event of default hereunder, the non-defaulting party shall be entitled to all remedies available at law and/or equity, including reasonable attorney's fees, subject to the limitations set forth in paragraph "L" below.

14. Limitation on the Owner's Liability.

The Contractor agrees to waive any right which it may have to punitive, consequential, special, indirect, incidental, and/or exemplary damages against the Village, and agrees not to make any claim or demand for such damages against the Village.

15. Hazardous Substances.

Contractor shall not cause or permit any Hazardous Substances to be brought upon, kept, stored or used in or about the Project Site, and/or any other property owned, leased, controlled or under the jurisdiction of the Village of Bartlett ("Village Property") by Contractor, and/or Contractors Agent (defined above). If the presence of Hazardous Substances brought upon, kept, stored or used in or about any of the Owner's Property by or on behalf of Contractor or Contractor's Agents in violation of this paragraph, results in contamination of the said Property, Contractor shall pay for all actual costs of clean up and shall indemnify, hold harmless and defend the Village and its employees, agents, consultants, officers, and officials from and against any and all claims, demands, expenses (including reasonable attorneys' fees), costs, fines, penalties and other liabilities of any and every kind and nature, including, but not limited to, costs and expenses incurred in connection with any clean-up, remediation, removal or restoration work required by any federal, state or local governmental authority because of the presence of any such Hazardous Substances on or about said Property.

For purposes hereof, Hazardous Substances shall include, but not be limited to, substances defined as "hazardous substances," "toxic substances" in the federal Comprehensive Environmental Response, Compensation and Liability Act of 1980, as amended; the federal Hazardous Materials Transportation Act, as amended; and the federal Resource Conservation and Recovery Act, as amended ("RCRA"); those substances defined as "hazardous substances," "materials," or "wastes" under any Federal law or the law of the State of Illinois; and as such substances are defined in any regulations adopted and publications promulgated pursuant to said laws (collectively, "Environmental Laws"). If Contractor's activities or the activities of any of Contractor's Agents violate or create a risk of violation of any Environmental Laws, Contractor shall cause such activities to cease immediately upon notice from the Village. Contractor shall immediately notify the Village both by telephone and in writing of any spill or unauthorized discharge of Hazardous Substances or of any condition constituting an "imminent hazard" under any Environmental Laws.

Contractor's indemnification obligations and duties hereunder shall survive the termination and/or expiration of this Contract.

16. Delays in Project Work.

Notwithstanding any provision herein to the contrary, the Contractor shall not be entitled to an increase in the Contract Sum as a result of any delays in the progress of the Work. The Contractor's sole remedy for delay shall be an extension of time.

If the Contractor, but for a delay not within the Contractor's control, would have completed the Work prior to the project completion date, the Contractor shall not be entitled to any recovery of damages arising out of any event of delay which prevented such early completion of the Work.

17. Change Orders.

(i) Notwithstanding any provisions herein to the contrary, where proposed changes to the Project Work involve a modification to (i) the Contract Sum; (ii) the

Contract Time, or (iii) material changes in the Work (i.e., other than minor field changes), a written Change Order shall be prepared by the Engineer. It shall be a condition precedent to the acceptance of any Change Order or any Series of Change Orders which involves an increase or decrease in the Contract Sum of $10,000 or more or changes the time of completion by a total of thirty (30) days or more, that the Village corporate authorities shall have first approved such written Change Order(s) and made the requisite determinations and findings in writing as required by 720 ILCS 5/33 E-9 (as amended). Other changes involving modifications to the Contract Sum, Contract Time or material change in the Work which will result in an increase or decrease of less than $10,000 or extension of less than thirty (30) days to the Contract Time shall be made by the Village Administrator.

(ii) All change orders will be calculated based solely on Contractor's Unit Pricing set forth in Contractor's Proposal and actual revised quantities, regardless of whether the change order is for an increase or decrease in Project Work. No additional compensation will be allowed for change orders for additional work other than based on Contractor's Unit Pricing times the increased actual units constructed calculated by the Engineer, in that said Unit Pricing already reflects Contractor's overhead and profits.

18. Relationship of the Parties.

A. It is understood, acknowledged and agreed by the parties that the relationship of the Contractor to the Village arising out of this Agreement shall be that of an independent contractor. Neither Contractor, nor any employee or agent of Contractor, is an employee, partner, joint venturer, and/or agent of the Village, and therefore is not entitled to any benefits provided to employees of the Village. Contractor has no authority to employ/retain any person as an employee or agent for or on behalf of the Village for any purpose. Neither Contractor nor any person engaging in any work or services related to this Agreement at the request or with the actual or implied consent of the Contractor may represent himself to others as an employee of the Village. Should any person indicate to the Contractor or any employee or agent of Contractor by written or oral communication, course of dealing or otherwise, that such person believes Contractor to be an employee or agent of the Village, Contractor shall use its best efforts to correct such belief. In ordering or accepting delivery of or paying for any goods or services, Contractor shall do so in Contractor's own business.

B. Contractor shall at all times have sole control over the manner, means and methods of performing the services required by this Agreement according to its own independent judgment. Contractor acknowledges and agrees that it will devote such time and resources as necessary to produce the contracted results. The Village, Engineer, nor Consultant shall not have control over, charge of, nor be responsible for, the construction means, methods, techniques, sequences of procedures, or for safety precautions and programs in connection with the Work since they are solely the Contractor's rights and responsibilities. The Contractor shall supervise and direct the Work efficiently with his, her or its best skill and attention; and the Contractor shall be responsible for initiating, maintaining and supervising all safety precautions and programs in connection with the work; and the Contractor shall take all necessary precautions for the safety of, and shall provide the necessary protection to prevent damage, injury or loss to all employees on the subject site and all other persons who may be affected thereby.

19. Exhibits and Contract Documents.

All Exhibits and Contract Documents referred to therein are expressly incorporated herein and made part hereof.

20. Assumption of Liability.

To the fullest extent permitted by law, Contractor assumes liability for all injury to or death of any person or persons including employees of Contractor, any subcontractor of any tier, any supplier or any other person and assumes liability for all damage to property sustained by any person or persons occasioned by or in any way arising out of any work performed pursuant to this Contract.

21. Illinois Human Rights Act.

The Contractor shall comply with all terms and procedures of the Illinois Human Rights Act, (775 ILCS 5 et seq.) and Contractor represents and warrants to the Village as follows:
