All Project Work shall be performed in strict compliance with the below defined Contract Documents.

B. Contract Documents mean and include: (i) this Agreement; (ii) General Conditions and Instructions to Bidders and General Requirements; (iii) all Specifications, Plans and Drawings; (iv) the Performance and Payment Bond or Letter of Credit; and (v) Addenda N/A. The Contract Documents are expressly incorporated into and made a part of this Agreement. In the event of any conflict between the terms and conditions of any of the Contract Documents, the most stringent requirements shall control.

2. Completion Date. Contractor shall complete the Project Work in strict compliance with the requirements herein on or before October 29, 2021.
3. Payment Procedure. The payment procedures are as follows:
 - A. All payments under the Agreement shall be based on the unit prices set forth in Contractor's Schedule of Prices (the "Unit Pricing"); attached hereto and incorporated and based on actual quantities supplied and installed/constructed by the Contractor in accordance with the terms and conditions herein, as determined and certified by the Village or its Engineer.

Owner does not guaranty the accuracy of the estimated units for completion of the Project Work. In no event shall Contractor be entitled to any additional compensation for lost profits and/or revenues due to estimated units exceeding actual units.
 - B. Contractor shall provide the following documentation to the Village: Contractor shall provide monthly invoices to the Village throughout the Project Work. It shall be a condition precedent to the Village, on or before

the first day of the month in which the Contractor is applying for a payment, the following documentation, which shall hereinafter collectively be referred to as the "Contractor's Progress Payment Documents".

- (i) Certified payrolls as defined herein.
 - (ii) An itemized Application of Payment for operations completed in accordance with the schedule of values, using AIA G702 and G703 forms, supported by such data to substantiate the Contractor's right to payment as the Village may require, such as copies of requisitions from material suppliers, and reflecting a 5% retainage until after final acceptance has been made by the Village. Payment shall be further reduced by such additional amounts that the Village determines for non-conforming work and unsettled claims.
 - (iii) A general Contractor's Sworn Statement in form customarily used by Chicago Title and Trust Company. ("Contractor's Sworn Statement")
 - (iv) Current Partial Waivers of Lien from the Contractor and from all subcontractors of every tier and all of the material suppliers that supplied labor and/or material in connection with the Project covering such period.

Following completion of the Project Work, Contractor shall furnish the Village the following documents: final lien waivers from (i) Contractor; (ii) all subcontractors of every tier that furnished labor and/or materials for the Project Work; and (iii) all suppliers that furnished materials in connection with the Project Work; all of which shall be signed and notarized; Certified Payrolls, and such additional documentation and/or information requested by the Village relative to said payment.
- D. It shall be a condition precedent to any payment required by the Village hereunder, that the Village has determined that the Project Work being invoiced is free from any defects and has been completed in strict compliance with the terms and conditions herein. The Village shall deduct from the final payment hereunder, amounts as determined for incomplete work, including but not limited to punch list work, and any required Restoration Work, and for any unsettled claims. Payment shall be made on the third Wednesday of the month following receipt of Contractor's Progress Payment Documents, subject to the requirement and reductions set forth in this Section 3.
- E. Payments shall be further contingent upon the consent of the surety issuing the performance and payment bonds and/or other bond hereunder to said payment. Any amounts required to be withheld from said payment by the surety shall be withheld without any liability to the Village.

- F. In the event the Contractor, and or Village is in receipt of any claim(s) for lien and/or other notice of any claim in connection with the Project, the amount claimed shall be held out from payment for a period of at least 120 days to determine whether said claimant files a lawsuit to foreclose or otherwise adjudicate its lien claim. In the event a lawsuit is in fact filed within the statutory period, the Village, in its sole discretion, may elect to (a) file an interpleader action and/or intervene in the lawsuit and deposit the amount in question with the Clerk of the Court or (b) continue to hold said disputed sum until the lawsuit has been fully adjudicated or settled, or (c) elect to pay said disputed sum to the Contractor after having first received such additional indemnification agreement(s) and surety bond(s) as are acceptable to the Village. In the event the lien claimant fails to file a lawsuit within the applicable statutory period, the Contractor shall either furnish a release or final waiver from said lien claimant or furnish the Village with an indemnification agreement and an additional mechanic's lien bond in form approved by the Village issued by a surety company acceptable to the Village.

The Village will not process or release any payments prior to receiving the Certified Payrolls relative to each applicable pay application.
- H. Notwithstanding the foregoing, in no event shall the Village's acceptance of the Project Work, Contractor's Payment Request Documents and/or the Village's payments to Contractor be deemed a waiver, express or implied, of any warranties and/or guaranties required herein.
4. **Non-Discrimination.** Contractor shall not discriminate against any worker, employee or applicant for employment because of religion, race, sex, color, or national origin, marital status, or ancestry, age, physical or mental disability unrelated to ability, or an unfavorable discharge from the military service, nor otherwise commit an unfair employment practice.
5. **Compliance with Law.** All goods, equipment, and all labor furnished by Contractor and subcontractors of every tier shall comply with all applicable federal, state and local laws, rules and regulations relative thereto including, but not limited to, the Illinois Department of Transportation (IDOT), Federal Occupational Safety and Health Act (OSHA), the Americans with Disabilities Act of 1990 as amended, the US Department of Labor (USDOL), the Illinois Department of Labor (IDOL), EEOC, and all applicable Village of Bartlett Building Code (collectively, the "Laws"). limited to, attorney's fees, and other costs of defense by reason of actual or alleged violations of any of the Laws. In the event of any conflict between any Laws, the most stringent Laws shall be controlling and applicable to the Project Work. This obligation shall survive the expiration and/or termination of this Agreement.

6. Indemnification. To the fullest extent permitted by law, the Contractor shall indemnify, defend and hold harmless Village, Engineer, Consultant and their respective officials, officers, directors, managers, employees, successors and assigns (collectively, the "Indemnified Parties"), against all injuries, deaths, damage to property, loss, damages, claims, suits, liens, lien rights, liabilities, judgments, costs and expenses, settlement judgments, prejudgment interest, post judgment interest, whether by direct suit or third parties which may in any way arise directly or indirectly from the Project Work, Repair Work and/or Warranty Work provided hereunder, and/or any acts and/or omissions of or on behalf of the Contractor, its employees, contractors, subcontractors of any tier, suppliers, and/or agents and/or any person and/or entity acting on behalf of any of them, anyone directly employed by any of them and/or anyone for whose acts any of them may be liable (collectively, "Contractors Agents") except to the extent caused by the negligence of a party indemnified hereunder. In which case, Contractor shall at its own expense, appear, defend and pay all charges of attorneys and costs and other expenses arising there from or incurred in connection therewith, and if any judgment shall be rendered against the Indemnified Parties or any of them, in any such action, Contractor agrees that any bond or insurance protection required herein, or otherwise provided by Contractor, shall in no way limit the responsibility to indemnify, keep and save harmless and defend the Indemnified Parties as herein provided. This obligation shall survive the expiration and/or termination of the Agreement. Contractor shall similarly protect, indemnify and hold and save harmless the Indemnified Parties against and from any and all claims, costs, causes, actions and expenses including but not limited to attorney's fees, incurred by reason of Contractor's breach of any of its obligations under, or Contractor's default of, any provision of the Agreement. This obligation shall survive the expiration and /or termination of the Agreement.
7. Binding Obligation and Non-Assignability. Contractor shall not assign the whole or any part of this Agreement without the written consent of the Village. All subcontractors shall be approved by the Village. Any such assignment by Contractor without the Village's written approval shall be null and void.
8. Taxes. The Village is a Tax Exempt Organization and is not subject to sales, consumer, use, and other similar taxes required by law. This exemption does not, however, apply to tools, machinery, equipment or other property leased by the Contractor, or to suppliers and materials which, even though they are consumed are not incorporated into the completed Project Work. The Contractor shall be responsible for and pay any and all applicable taxes, including sales and

use taxes, on such leased tools, machinery, equipment or other property and upon such unincorporated supplies and materials. All such taxes are included in the Contract Sum.

9. Investigations by Contractor. Contractor has made such investigations as it deems necessary to perform the Project Work, including but not limited to, inspections of all Project Site, and represents and warrants that the Specifications, Plans, Drawings and other Contract Documents as defined in the General Conditions are adequate and the required result can be produced there under. No plea of ignorance of conditions that exist or of conditions or difficulties that may be encountered in the execution of the Project Work under this Agreement as a result of failure to make the necessary investigations will be accepted as an excuse for any failure or omission on the part of Contractor to fulfill in every detail all of the requirements of this Agreement, or will be accepted as a basis for any claims whatsoever, for extra compensation.
10. Insurance. Contractor shall procure and maintain for the duration of the Project Work, Repair Work and Warranty Work, insurance of the types and in amounts of not less than the coverages listed below. The cost of such insurance is included in the Contract Sum.

These insurance coverages shall apply as primary insurance with respect to any other insurance or self-insurance afforded to the Additional Insured, or any of them, and shall not require exhaustion of any other coverage or tender of any claim or action to any other insurer providing coverage to any of the Additional Insured. The coverage shall contain no special limitations on the scope of protection afforded to the Additional Insured, or any of them.

There shall be no endorsement or modification of the CGL limiting the scope of coverage for liability arising from explosion, collapse or underground property damage.

B. Continuing Completed Operations Liability Insurance.

Contractor shall maintain commercial general liability (CGL) coverage with a limit of not less than \$1,000,000 each occurrence for at least three years following substantial completion of the Project Work.

Continuing CGL insurance shall be written on ISO occurrence form CG 00 01 10 93, or substitute form providing equivalent coverage, and shall, at minimum, cover liability arising from products-completed operations and liability assumed under an insured contract.

Continuing CGL insurance shall have a products-completed operations aggregate of at least two times its each occurrence limit.

C. Business Auto Liability Insurance.

Contractor shall maintain business auto liability insurance with a limit of not less than \$1,000,000 each accident. Such insurance shall cover liability arising out of "Any Auto" including owned, hired and non-owned autos.

Business auto insurance shall be written on Insurance Services Office (ISO) form CA 00 01, CA 00 05, CA 00 12, CA 00 20, or a substitute form providing equivalent liability coverage. If necessary, the policy shall be endorsed to provide contractual liability coverage equivalent to that provided in the 1990 and later editions of CA 00 01.

D. Workers Compensation and Employees Liability Insurance.

Contractor shall maintain workers compensation as required by statute and employers liability insurance. The employers liability limits shall not be less than \$500,000 each accident for bodily injury by accident or \$500,000 each employee for bodily injury by disease.

If the Additional Insured have not been included as an insured under the Commercial General Liability, Excess Umbrella Liability Insurance and/or

Business Auto Liability coverages required in the Contract, the Contractor waives all rights against the Additional Insured for recovery of damages arising out of or incident to the Project Work.

E. Excess Umbrella Liability Insurance Coverage.

Contractor shall maintain Excess Umbrella Liability Insurance coverage of not less than \$1,000,000 each occurrence and \$1,000,000 aggregate. The minimum amount of Excess Umbrella Liability Insurance coverage may be reduced by the amount that Contractor's CGL coverage per occurrence exceeds \$1,000,000.

F. General Insurance Provisions.

i. Evidence of Insurance

Prior to beginning work, Contractor shall furnish the Village with a certificate(s) of insurance and applicable policy endorsement(s), including but not limited to all additional insured endorsements required herein, executed by a duly authorized representative of each insurer, showing compliance with the insurance requirements set forth above.

All certificates shall provide for thirty (30) days' written notice to the Village prior to the cancellation or material change of any insurance referred to therein. Written notice to the Village shall be by certified mail, return receipt requested.

Failure of the Village to demand such certificate, endorsement or other evidence of full compliance with these insurance requirements or failure of the Village to identify a deficiency from evidence that is provided shall not be construed as a waiver of Contractor's obligation to maintain such insurance.

The Village shall have the right, but not the obligation, of prohibiting Contractor or any subcontractor of any tier from entering the Project Site(s) until such certificates or other evidence that insurance has been placed in complete compliance with these requirements is received and approved by the Village.

Failure to maintain the required insurance may result in termination of this Contract at the Village's option.

With respect to insurance maintained after final payment in compliance with a requirement above, an additional certificate(s) evidencing such coverage shall be promptly provided to the Village whenever requested.

Contractor shall provide certified copies of all insurance policies required above within 10 days of the Village's written request for said copies.

ii. Acceptability of Insurers

Insurance shall be provided by insurance companies licensed to do business in the State of Illinois with a policy holder rating of not less than A and a financial rating of not less than VII in the latest edition of Best Insurance Guide.

If Contractor's liability policies do not contain the standard ISO separation of insureds provision, or a substantially similar clause, they shall be endorsed to provide cross-liability coverage.
- iv.** Deductibles and Self-Insured Retentions
Any deductibles or self-insured retentions must be declared to the Village. At the option of the Village, the Contractor may be asked to eliminate such deductibles or self-insured retentions as respects the Additional Insured or required to procure a bond guaranteeing payment of losses and other related costs, including, but not limited to, investigations, claim administration and defense expenses.
- v.** The Village Shall Not Waive Any Rights of Subrogation
The Village shall not, in any manner, be deemed or intended to have waived any right of subrogation which either the Village and/or its, insurance carrier and/or risk pool provider, risk management agency, and/or insurance company providing excess coverage may have against the Contractor, for any property injury, death, or other damage caused by Contractor, and/or any of its subcontractors of any tier, and/or otherwise arising out of the Project Work.
- vi.** Failure to Comply with Insurance Reporting Provisions
All insurance required of the Contractor shall provide that any failure to comply with reporting provisions of the policies shall not affect coverage provided to the Additional Insured, or any of them.
- vii.** All Insurance Obtained Shall Apply Separately to Each Insured
All insurance required of the Contractor shall provide that the insurance shall apply separately to each insured against whom a claim is made or suit is brought, except with respect to the limits of the insurer's liability.
- viii.** Insurance Requirements cannot be waived
Under no circumstances shall the Village be deemed to have waived any of the insurance requirements of this Contract by any action or omission, including, but not limited to:
allowing any work to commence by the Contractor before receipt of Certificates of Insurance;

 - b. failing to review any Certificates of Insurance received;
 - c. failing to advise the Contractor that any Certificate of Insurance fails to contain all the required insurance provisions, or is otherwise deficient in any manner; and/or
 - d. issuing any payment without receipt of a sworn

certification from the Contractor stating that all the required insurance is in force.

The Contractor agrees that the obligation to provide the insurance required by these documents are solely its responsibility and that this is a requirement which cannot be waived by any conduct, action, inaction or omission by the Village, its Engineer and/or Consultant.

- ix. Liability of Contractor is not limited by Purchase of Insurance
Nothing herein contained in the insurance requirements of the Contract Documents is to be construed as limiting the liability of the Contractor, and/or their respective insurance carriers. The Village does not, in any way, represent that the coverage's or limits of insurance specified is sufficient or adequate to protect the Additional Insured, or any of them, the Contractor, or any subcontractor's interest or liabilities, but are merely minimums. Any obligation of the Contractor to purchase insurance shall not, in any way, limit their obligations to the Additional Insured in the event that the Additional Insured, or any of them should suffer an injury or loss in excess of the amount recovered through insurance, or any loss or portion of the loss which is not covered by either the Subcontractor's and/or Contractor's insurance.
- x. Notice of Personal Injury or Property Damage
Contractor shall notify the Village, in writing, of any actual or possible claim for personal injury or property damage relating to the work, or of any occurrence which might give rise to such a claim, promptly upon obtaining first knowledge of same.
- xi. Subcontractors
All subcontractors performing any Project Work shall purchase and maintain insurance of not less than the types and amounts of coverage's set forth above. When requested by the Village, Contractor shall provide certificates of insurance and such other insurance documentation evidencing such type and amounts of coverage's of said subcontractors.

11. Performance and Payment Bonds and/or Letter of Credit.

Prior to commencement of the Project Work, Contractor must submit to the Village: (a) performance and payment bonds each in the amount of 110% of the Contract Sum, naming the Village of Bartlett as the primary obligee in form acceptable to the Village co-signed by a surety company authorized by the Illinois Department of Insurance to sell and issue sureties in the State of Illinois with an A.M. Best's financial strength rating (FSR) of not less than "A" and an A.M. Best's issuer credit rating (ICR) for not less than "A" in the latest issue of the

Best insurance Guide ("Performance and Payment Bonds") or (b) an irrevocable letter of credit in the amount of **110%** of the Contract Sum guarantying Contractors obligations under the Contract Documents issued by a financial institution worth at least \$40,000,000 in assets and a capital to asset ratio of not less than 6% in form acceptable to the Village ("Letter of Credit"), which said Performance and Payment Bonds and/or Letter of Credit shall be conditioned upon proper and faithful performance by the Contractor of the work specified in strict accordance with the Contract and payment of all debts incurred by the Contractor in the execution of the Project Work, including those for labor and materials furnished and the payment of Prevailing Wages as required herein. The cost of said Performance and Payment Bonds and/or Letter of Credit is included in the Contract Sum.

12. Prevailing Wages.

A. All laborers, mechanics and other workers employed by the Contractor and by any subcontractors on Project Work, repair work, and Warranty Work shall be paid wages at rates not less than those required under the Illinois Prevailing wage act (820 ILCS 130/01 et seq.) (the "Act") for the respective County in which the Project Work is being performed (hereinafter, "Prevailing Wages"). Any increase in costs to the Contractor due to changes in the Prevailing Wages or labor law during the term of any contract and/or sub-contract of any tier shall be at the expense of the Contractor and not at the expense of the Village. The Contractor shall be solely responsible to maintain accurate records as required under the Act, and shall be solely liable for paying the difference between Prevailing Wages and any wages actually received by laborers, workmen and/or mechanics engaged in the work and for ensuring strict compliance with the requirements of the Act, including but not limited to providing Certified Payrolls to the Village.

Notwithstanding the forgoing, said prevailing wage rates are revised by the Illinois Department of Labor (IDOL). Contractor is solely responsible for obtaining and paying the applicable revised prevailing rate of wages for Cook, and Du Page Counties as determined by the IDOL for the time period in which the work is being performed. In the event of default hereunder, the non-defaulting party shall be entitled to all remedies available at law and/or equity, including reasonable attorney's fees, subject to the limitations set forth in paragraph 14 below.

14. Limitation on the Owner's Liability.

The Contractor agrees to waive any right which it may have to punitive, consequential, special, indirect, incidental, and/or exemplary damages against the Village and other Indemnified Parties, and Contractor agrees not to make any claim or demand for such damages against the Village and/ or other Indemnified Parties.

15. Hazardous Substances.

Contractor shall not cause or permit any Hazardous Substances to be brought upon, kept, stored or used in or about the Project Site, and/or any other property owned, leased or controlled by the Village (collectively, "Owner's Property") by contractor, its employees, subcontractors of any tier, suppliers and anyone for whose acts and/or omissions for whom Contractor may be liable (collectively "Contractor's Agents"). If the presence of Hazardous Substances brought upon, kept, stored or used in or about any of the Owner's Property by or on behalf of Contractor or Contractor's Agents in violation of this paragraph, results in contamination of the said Property, Contractor shall pay for all actual costs of clean up and shall indemnify, hold harmless and defend the Village and its agents, employees, officers, and officials from and against any and all claims, demands, expenses (including reasonable attorneys' fees), costs, fines, penalties and other liabilities of any and every kind and nature, including, but not limited to, costs and expenses incurred in connection with any clean-up, remediation, removal or restoration work required by any federal, state or local governmental authority because of the presence of any such Hazardous Substances on or about said Property.

For purposes hereof, Hazardous Substances shall include, but not be limited to, substances defined as "hazardous substances," "toxic substances" in the federal Comprehensive Environmental Response, Compensation and Liability Act of 1980, as amended; the federal Hazardous Materials Transportation Act, as amended; and the federal Resource Conservation and Recovery Act, as amended ("RCRA"); those substances defined as "hazardous substances," "materials," or "wastes" under any Federal law or the law of the State of Illinois; and as such substances are defined in any regulations adopted and publications promulgated pursuant to said laws (collectively, "Environmental Laws"). If Contractor's activities or the activities of any of Contractor's Agents violate or create a risk of violation of any Environmental Laws, Contractor shall cause such activities to cease immediately upon notice from the Village. Contractor shall immediately notify the Village both by telephone and in writing of any spill or unauthorized discharge of Hazardous Substances or of any condition constituting an "imminent hazard" under any Environmental Laws.

Contractor's indemnification obligations and duties hereunder shall survive the termination and/or expiration of this Contract.

16. Delays in Project Work.

Notwithstanding any provision herein to the contrary, the Contractor shall not be entitled to an increase in the Contract Sum as a result of any delays in the progress of the Work. The Contractor's sole remedy for delay shall be an extension of time.

If the Contractor, but for a delay not within the Contractor's control, would have completed the Work prior to the project completion date, the Contractor shall not be entitled to any recovery of damages arising out of any event of delay which prevented such early completion of the Work.

17. Change Orders.

(i) Notwithstanding any provisions herein to the contrary, where proposed changes to the Project Work involve a modification to (i) the Contract Sum; (ii) the Contract Time, or (iii) material changes in the Work (i.e., other than minor field changes), a written Change Order shall be prepared by the Village. It shall be a condition precedent to the acceptance of any Change Order or any Series of Change Orders which involves an increase or decrease in the Contract Sum of \$10,000 or more or changes the time of completion by a total of thirty (30) days or more, that the Corporate Authorities of the Village shall have first approved such written Change Order(s) and made the requisite determinations and findings in writing as required by 720 ILCS 5/33 E-9 (as amended). Other changes involving modifications to the Contract Sum, Contract Time or material change in the Work which will result in an increase or decrease of less than \$10,000 or extension of less than thirty (30) days to the Contract Time shall be made by the Village Administrator.

(ii) All change orders will be calculated based solely on Contractor's Unit Pricing set forth in Contractor's Schedule of Prices and actual revised quantities, regardless of whether the change order is for an increase or decrease in Project Work. No additional compensation will be allowed for change orders for additional work other than based on Contractor's Unit Pricing times the increased actual units constructed calculated by the Engineer, in that said Unit Pricing already reflects Contractor's overhead and profits.

18. Relationship of the Parties.

A. It is understood, acknowledged and agreed by the parties that the relationship of the Contractor to the Village arising out of this Agreement shall be that of an independent contractor. Neither Contractor, nor any employee or agent of Contractor, is an employee, partner, joint venturer, and/or agent of the Village, and therefore is not entitled to any benefits provided to employees of the Village. Contractor has no authority to employ/retain any person as an employee or agent for or on behalf of the Village for any purpose.
