**To:** Paula Schumacher, Village Administrator  
**From:** Dan Dinges, Director of Public Works  
**Subject:** **Synagro Sludge Hauling Contract Extension**  
**Date:** March 8, 2021

---

## **BACKGROUND**

The Village of Bartlett has had a contract with Synagro Central, LLC for the hauling and land application of biosolids (sludge) produced at the Wastewater Treatment Plant. The current contract is set to expire on March 31, 2021.

## **DISCUSSION**

Staff and Synagro Central, LLC had begun discussing a contract extension to continue handling the removal of sludge. Synagro has proposed a two-year contract extension that would run through March 31, 2023. With the two-year extension, Synagro has offered to maintain the current rate for this year, and then the increase by the change in the Consumer Price Index (CPI) as has been customary in the past. Their current price is \$20.36 per cubic yard. Attached is the Synagro amendment for review.

## **RECOMMENDATION**

Staff recommends approval of the extension and amendment to the sludge hauler contract with Synagro Central, LLC.
