The Honorable Village President
Members of the Board of Trustees
Village of Bartlett, Illinois

In planning and performing our audit of the financial statements of the Village of Bartlett (the Village), Illinois, for the year ended April 30, 2024, we considered its internal control structure in order to determine our auditing procedures for the purpose of expressing our opinion on the financial statements and not to provide assurance on the internal control structure.

We do not intend to imply that our audit failed to disclose commendable aspects of your system and structure. For your consideration, we herein submit our comments and suggestions which are designed to assist in effecting improvements in internal controls and procedures. Those less-significant matters, if any, which arose during the course of the audit, were reviewed with management as the audit field work progressed.

The accompanying comments and recommendations are intended solely for the information and use of the Board, Executive Director and senior management of the Village of Bartlett, Illinois.

We will review the status of these comments during our next audit engagement. We have already discussed many of these comments and suggestions with various Village personnel. We would be pleased to discuss our comments and suggestions in further detail with you at your convenience, to perform any additional study of these matters, or to review the procedures necessary to bring about desirable changes.

We commend the finance department for the well prepared audit package and we appreciate the courtesy and assistance given to us by the entire Village staff.

2. FUNDS WITH DEFICIT NET POSITION/FUND BALANCE - Continued

Management Response

The Rt. 59 & Lake St. TIF has a deficit net position due to a loss on the sale of land during FY 23. Land in the TIF that was held for resale was sold to Bartlett Automotive Mall, LLC as part of a Development Incentive Agreement with Bartlett Automotive Mall, LLC and Loquercio Automotive Inc. The development incentive agreement resolution and vacant land lease with option to purchase ordinance were approved by the Village Board at the 11/21/21 board meeting. The land was originally purchased for \$2,814,078 and sold on 11/18/22 for \$250,000. The village will use sales tax generated from the car dealerships to eliminate the deficit net position in the coming years. Bartlett Hills Golf Course was hit hard by the COVID pandemic which consequently has had the Golf Fund working with a deficit fund balance FY 2020. Administration, Golf, and Finance staff have worked diligently these past few years analyzing how to improve the financial position at the golf course now and going forward. This work seemingly paid off with the golf course having one of its better years in recent memory, reducing the golf fund's net position deficit by \$249,177. This is the first time in over ten years that the golf fund had a positive change in its net position. The yearly number of golf rounds continues to increase, going from 31,995 in FY 2023 to 33,561 in FY 2024. This is the most rounds of golf played at Bartlett Hills since FY 2017. We are very hopeful that these positive trends will continue and that the golf course can start stacking together these successful years. The Parking Fund is another enterprise fund that was hit hard by the pandemic with the number of daily commuters being reduced significantly. Parking revenue has been slowly increasing the last few years, increasing \$22,419 in FY 2023 and \$16,628 in FY 2024. However, revenue is still down over 60% from pre-pandemic years. Village staff did determine that the Parking Fund budget needed to be reduced in FY 2024 in order to improve the parking fund's financial position. And that is reflected in this year's operating expenditures which are down \$72,985, or 61%. So with the slight increase in revenues and decrease in expenditures, the parking fund's deficit decreased by \$15,809. Village staff will continue to monitor the parking fund to see if additional adjustments will be necessary going forward.

3. GASB STATEMENT NO. 94 PRIVATE-PUBLIC AND PUBLIC-PUBLIC PARTNERSHIPS AND AVAILABILITY PAYMENT ARRANGEMENTS

Comment

In March 2022, the Governmental Accounting Standards Board (GASB) issued Statement No. 94, *Public-Private and Public-Public Partnerships and Availability Payment Arrangements*, which provides guidance regarding the information needs of financial statement users by improving the comparability of financial statements among governments that enter into public-private and public-public partnerships (PPPs) and availability payment arrangements (APAs) and by enhancing the understandability, reliability, relevance, and consistency of information about PPPs and APAs. A PPP is an arrangement in which a government (the transferor) contracts with an operator to provide public services by conveying control of the right to operate or use a nonfinancial asset, such as infrastructure or other capital asset (the underlying PPP asset), for a period of time in an exchange or exchange-like transaction. Some PPPs meet the definitions Service Concession Arrangements (SCAs) if (a) the operator collects and is compensated by fees from third parties, (b) the transferor (government) determines or has the ability to modify or approve which services the operator is required to provide, to whom the operator is required to provide the services, and the prices or rates that can be charged for the services, and (c) the transferor (government) is entitled to significant residual interest in the service utility of the underlying PPP asset at the end of the arrangement. An APA is an arrangement in which a government compensates an operator for activities that may include designing, constructing, financing, maintaining, or operating an underlying nonfinancial asset for a period of time in an exchange or exchange-like transaction. GASB Statement No. 94, *Public-Private and Public-Public Partnerships and Availability Payment Arrangements* is applicable to the Village's financial statements for the year ended April 30, 2024.

4. **GASB STATEMENT NO. 96 SUBSCRIPTION-BASED INFORMATION TECHNOLOGY ARRANGEMENTS**

Comment

In May 2020, the Governmental Accounting Standards Board (GASB) issued Statement No. 96, *Subscription-Based Information Technology Arrangements*, which provides guidance regarding the information needs of financial statement users by improving accounting and financial reporting for Subscription-Based Information Technology Arrangements (SBITAs) by governments. GASB Statement No. 100 requires that (a) changes in accounting principal and error corrections are reported retroactively, (b) changes in accounting estimates are reported prospectively, and (c) changes to or within the financial reporting entity should be reported by adjusting the current reporting period's beginning net position, fund balance, or fund net position, as applicable, for the effect of the change as if the change occurred as of the beginning of the reporting period. GASB Statement No. 100, *Accounting Changes and Error Corrections* is applicable to the Village's financial statements for the year ended April 30, 2025.

Recommendation

6. GASB STATEMENT NO. 101 COMPENSATED ABSENCES

Comment

In June 2022, the Governmental Accounting Standards Board (GASB) issued Statement No. 101, *Compensated Absences*, which establishes standards of accounting and financial reporting for (a) compensated absences, and (b) associated salary-related payments, including certain defined contribution pensions and defined contribution other post-employment benefits (OPEB). The statement requires that a liability should be recognized for any type of leave that has not been used at year-end if (a) The leave is attributable to services already rendered, (b) the leave accumulates, and (c) the leave is more likely than not to be used for time off or otherwise paid in cash or settled through noncash means. Examples of leave that should be reviewed, and potentially measured under GASB Statement No. 101 are vacation leave, paid time off leave, holiday leave, and sick leave.
