1. The Contractor shall provide the materials, services, and equipment to fully execute the Work described in the Proposal.
2. The Work shall be furnished and completed pursuant to the terms and conditions of this Agreement and as described in the Proposal.
3. The Contractor shall supervise and direct the Work using the Contractor's best skill and attention. The Contractor shall be solely responsible for and have control over construction means, methods, techniques, sequences, and procedures, and for coordinating all portions of the Work.

6. The Contractor, as soon as practicable after award of the Contract, shall furnish in writing to the Village the names of subcontractors or suppliers for each portion of the Work. The Contractor shall not contract with any subcontractor or supplier to whom the Village has made a timely and reasonable objection.
7. Contractor shall bind all subcontractors by the terms and obligations set forth in this Agreement. Contractor is liable for the acts of any subcontractors when performing the Work, as if the Work was conducted by the Contractor itself.
8. Contractor will provide the Village with the warranties described in the Proposal upon completion of the Work.

C. Labor and Materials

1. The Contractor shall provide and pay for labor, materials, equipment, tools, utilities, transportation, and other facilities and services necessary for proper execution and completion of the Work.

3. Execution of this Agreement by the Contractor is a representation by the Contractor that it has conducted such investigations as may have been necessary to enable the Contractor to determine the cost of the Work and that it has sufficient information to complete the Work in accordance with applicable laws and regulations, and otherwise to fulfill all its obligations hereunder, including, but not limited to, Contractor's obligations to perform the Work for an amount not in excess of the Contract Sum. The Contractor further acknowledges and declares that it has visited and examined the project site, examined all physical and other conditions affecting the Work and is fully familiar with all of the conditions thereon and thereunder effecting the same. In connection therewith, Contractor specifically represents and warrants to Village that prior to the submission of its bid it: (a) thoroughly examined the location of the work to be performed, is familiar with local conditions, and thoroughly understands the physical conditions prevalent or likely to be encountered in the performance of the work at such location; (b) examined the nature, location, and character of the general area in which the project is

EXHIBIT A

located, including without limitation, its climatic conditions, available labor supply and labor costs, and available equipment supply and equipment costs; and (3) examined the quality and quantity of all materials, supplies, tools, equipment, labor, and professional services necessary to complete the Work within the Contract Sum.

D. Commencement; Time of Performance. The Contractor must substantially complete the Work by April 26, 2026. Time is of the essence for all matters concerning this Agreement.

E. Reporting. The Contractor will regularly report to the Village regarding the progress of the Work during the term of this Agreement.

F. Term; Termination.

1. **Term.** The term of this Agreement, unless terminated pursuant to Section D(2) herein, will expire upon the date the Village determines that the Work has been fully completed by the Contractor pursuant to this Agreement. A determination of completion will not constitute a waiver of any rights or claims that the Village has accrued prior to or following completion of the Work, with respect to any breach of this Agreement by the Contractor or any right of indemnification of the Village by the Contractor.

2. **Termination.** Notwithstanding any other provision hereof, the Village may terminate this Agreement, at any time and for any reason, upon seven (7) days' prior written notice to the Contractor. In the event this Agreement is terminated by the Village, the Village hereby agrees to compensate the Contractor for the Work actually performed and reimbursable expenses actually incurred, if any, prior to the termination date.

SECTION 2. INDEMNIFICATION.

To the fullest extent permitted by law, Contractor agrees to waive any and all rights of contribution against the Village and to defend, indemnify and hold harmless the Village and its officers, elected and appointed officials, employees, volunteers and agents from and against all claims, damages, losses and expenses, including, but not limited to, legal fees (attorney's and paralegal's fees, expert fees and court costs) arising out of or resulting from the Contractor's performance of the Work, provided that any such claim, damage, loss or expense is attributable to bodily injury, sickness, disease or death, or injury to or destruction of property, other than the Work itself, including the loss of use resulting therefrom, to the extent it is caused in whole or in part by any wrongful or negligent act or omission of the Contractor, any Subcontractor, anyone directly or indirectly employed by any of them or anyone for whose acts any of them may be liable. Such obligation shall not be construed to negate, abridge or otherwise reduce any other right to indemnity which the Village would otherwise have. The Contractor shall similarly, protect, defend, indemnify and hold and save harmless, the Village, its officers, elected

EXHIBIT A

and appointed officials, employees, volunteers and agents against and from any and all claims, costs, causes, actions and expenses, including, but not limited to, legal fees, incurred by reason of Contractor's breach of any of its obligations hereunder, or Contractor's default of any provisions of this Agreement. The indemnification obligations under this paragraph shall not be limited in any way by any limitation on the amount or type of damages, compensation, or benefits payable by or for the Contractor or any subcontractor under Workers' Compensation or Disability Benefit Acts or Employee Benefit Acts. The rights and obligations of this Section shall survive the voluntary or involuntary termination of this Agreement.

SECTION 3. INSURANCE; PERFORMANCE AND PAYMENT BOND.

The Contractor will, at its sole cost, obtain and keep in force at all times during the performance of the Work and any part thereof, Workers Compensation and Employer's Liability Insurance, Commercial Liability Insurance, and Automobile Insurance in at least the type and amounts set forth below. B. Evidence of Insurance.

1. Prior to beginning the Work, Contractor shall furnish the Village with a certificate(s) of insurance and applicable policy endorsement(s), executed by a duly authorized representative of each insurer, showing compliance with the insurance requirements set forth above.
2. Failure of the Village to demand any certificate, endorsement or other evidence of full compliance with these insurance requirements or failure of the Village to identify a deficiency shall not be construed as a waiver of

EXHIBIT A

Contractor's obligation to maintain such insurance. The Contractor agrees that the obligation to provide the insurance required by these documents is solely its responsibility and that this is a requirement which cannot be waived by any conduct, action, inaction, or omission by the Village.

3. The Village shall have the right, but not the obligation, of prohibiting Contractor from commencing the Work until such certificates or other evidence that insurance has been placed in complete compliance with these requirements is received by the Village.

5. All the insurance required of the Contractor shall state that the coverage afforded to the additional insureds shall be primary insurance of the additional insureds with respect to claims arising out of operations performed by or on their behalf. EXHIBIT A

not obtained, the Village has the right to reject insurance written by an insurer it deems unacceptable.

7. Nothing contained in this Agreement is to be construed as limiting the liability of the Contractor. The Village does not, in any way, represent that the coverages or limits of insurance specified is sufficient or adequate to protect the Village, or the Contractor, but are merely minimums.

~~**D. Performance and Payment Bond.** Contractor shall provide a Surety Bond (guaranteeing both faithful performance and payment to subcontractors and material suppliers for labor and materials), naming the Village of Bartlett as Obligee, for not less than one hundred percent (100%) of the contract amount listed under Section 4(A) of this Agreement, will be required prior to beginning construction and in a form approved by the Village Attorney. The Village will remit payment of the Contract Sum to the Contractor in accordance with the Local Government Prompt Payment Act.

B. Prevailing Wage. The Village has determined that the Work provided for under this Agreement is subject to the Illinois Prevailing Wage Act, and the Contractor shall comply therewith and pay, and require every Subcontractor to pay, the prevailing rates of wages as established by the Illinois Department of Labor for each craft or type of work needed to execute this Agreement in accordance with 820 ILCS 130/0.01, *et seq.* Contractor shall prominently post the current schedule of prevailing wages at the Contract site and shall notify immediately in writing all of its Subcontractors, of all changes in the schedule of prevailing wages. Any increases in costs to Contractor due to changes in the prevailing rate of wages during the term of this Agreement shall be at the expense of the Contractor and not at the expense of the Village. Change orders shall, however, be computed using the prevailing wage rates applicable at the time the change order work is scheduled to be performed. Contractor shall be solely responsible to maintain accurate records as required by the Prevailing Wage Act and to obtain and furnish all such certified records to the Illinois Department of Labor as required by statute or regulation, including certified payroll records.
