14. **QUESTION/ANSWER: PRESIDENT & TRUSTEES:**

15. **ADJOURNMENT**

VILLAGE OF BARTLETT
BOARD MINUTES
June 2, 2015

1. CALL TO ORDER

President Wallace called the regular meeting of June 2, 2015 of the President and Board of Trustees of the Village of Bartlett to order on the above date at 8:36 p.m. in the Council Chambers.

2. ROLL CALL

PRESENT: Trustees Camerer, Carbonaro, Deyne, Hopkins, Reinke, President Wallace were present.

ABSENT: Trustee Arends

ALSO PRESENT: Village Administrator Valerie Salmons, Assistant Administrator Paula Schumacher, Assistant to the Village Administrator Scott Skrycki, Finance Director Jeff Martynowicz, Director of Public Works Dan Dinges, Community Development Director Jim Plonczynski, Assistant Community Development Director Roberta Grill, Economic Development Coordinator Tony Fradin, Building Director Brian Goralski, Food & Beverage Manager Paul Petersen, Chief Kent Williams, Deputy Chief Joe Leonas, Village Attorney Bryan Mraz and Village Clerk Lorna Giless.

3. INVOCATION

Reverend Weiss from Faith World Outreach Church did the invocation.

4. PLEDGE OF ALLEGIANCE

5. CONSENT AGENDA

President Wallace stated that all items marked with an asterisk on the Agenda are considered to be routine and would be enacted by one motion. He further stated that there will be no separate discussion of these items unless a Board member so requests, in which event, that item will be removed from the Consent Agenda and considered at the appropriate point on the Agenda. He asked if there were any items a Board member wished to remove from the Consent Agenda, or any items a Board member wished to add to the Consent Agenda.

Trustee Hopkins asked that Item 1 under Finance & Golf Committee, 2015-50-R, A Resolution Approving of Disbursement Request for Payout No., 25 from the Subordinate Lien Tax Increment Revenue Note, Series 2007 for the Elmhurst Chicago Stone Bartlett Quarry Redevelopment Project be removed from the Consent Agenda.

VILLAGE OF BARTLETT
BOARD MINUTES
June 2, 2015

Trustee Carbonaro asked that Items 1-3 under Police & Health Committee, being the Squad purchase (7 cars), the CSO Vehicle Purchase and the Mobile Command Center purchase be added to the Consent Agenda.

Trustee Deyne moved to amend the Consent Agenda by removing Item 1 from the Finance & Golf Committee and adding Items 1-3 under Police & Health Committee and that motion was seconded by Trustee Camerer.

ROLL CALL VOTE TO AMEND CONSENT AGENDA

AYES: Trustees Camerer, Carbonaro, Deyne, Hopkins, Reinke
NAYS: None
ABSENT: Trustee Arends
MOTION CARRIED

Trustee Carbonaro moved to approve the amended Consent Agenda and all items contained therein, and that motion was seconded by Trustee Camerer.

ROLL CALL VOTE TO APPROVE THE AMENDED CONSENT AGENDA

AYES: Trustees Camerer, Carbonaro, Deyne, Hopkins, Reinke
NAYS: None
ABSENT: Trustee Arends
MOTION CARRIED

6. MINUTES

Trustee Camerer moved to approve the Committee Minutes from May 19, 2015 and that motion was seconded by Trustee Carbonaro.

ROLL CALL VOTE TO APPROVE THE COMMITTEE MINUTES FROM MAY 19, 2015

AYES: Trustees Camerer, Carbonaro, Deyne, Hopkins, Reinke
NAYS: None
ABSENT: Trustee Arends
MOTION CARRIED

7. BILL LIST – Covered and approved under the Consent Agenda.

8. TREASURER'S REPORT

Finance Director, Jeff Martynowicz summarized the Municipal Sales Tax Report for fiscal year 2014/15 as of March, 2015 to be at \$1,945,728 and indicated that it represents a

VILLAGE OF BARTLETT
BOARD MINUTES
June 2, 2015

1.56% increase over the same time period last year. He stated that the Motor Fuel Tax Allotment Report reflects revenues through April, 2015 and the year to date revenue is \$1,009,889 and that represents a 0.73% decrease from the same time period last year.

9. PRESIDENT'S REPORT

President Wallace presented Resolution 2015-46-R, A Resolution Recognizing the Retirement of Local U-46 Teachers and Administrators.

Trustee Camerer moved to approve Resolution 2015-46-R, A Resolution Recognizing the Retirement of Local U-46 Teachers and Administrators as presented and that motion was seconded by Trustee Carbonaro.

ROLL CALL TO APPROVE RESOLUTION 2015-46-R, RECOGNIZING THE RTIREMENT OF LOCAL U-46 TEACHERS AND ADMINISTRATORS

AYES: Trustees Camerer, Carbonaro, Deyne, Hopkins, Reinke
NAYS: None
ABSENT: Trustee Arends
MOTION CARRIED

10. QUESTION/ANSWER: PRESIDENT & TRUSTEES

Trustee Hopkins asked if they had any traffic counts from 59 and Stearns prior to the building of the bridge.

Chief Williams stated that they did not do any traffic counts prior to or after the bridge was built.

11. TOWN HALL

Neil Barrett, BAPS Shri Swaminarayan Mandir

Mr. Barrett stated that they were sponsoring a Walkathon with the American Cancer Society on June 14th at 9:30 p.m. and encouraged everyone to attend.

12. STANDING COMMITTEE REPORTS

A. PLANNING & ZONING COMMITTEE, CHAIRMAN REINKE

Trustee Reinke presented Ordinance 2015-47, An Ordinance Granting Approval of a Fence Variation for 908 Shorewood Drive.

Trustee Reinke moved to approve Ordinance 2015-47, An Ordinance Granting Approval of a Fence Variation for 908 Shorewood Drive as presented, and that motion was seconded by Trustee Camerer.

VILLAGE OF BARTLETT
BOARD MINUTES
June 2, 2015

Trustee Reinke asked why they needed the five foot fence and questioned the material it was made of.

The petitioner, Sean Considine stated that it was a safety concern for small children.

ROLL CALL VOTE TO APPROVE ORDINANCE 2015-47 GRANTING A FENCE VARIATION FOR 908 SHOREWOOD DRIVE

AYES: Trustees Camerer, Carbonaro, Deyne, Hopkins, Reinke
NAYS: None
ABSENT: Trustee Arends
MOTION CARRIED

B. BUILDING COMMITTEE, CHAIRMAN HOPKINS

Trustee Hopkins stated that there was no report.

C. FINANCE & GOLF COMMITTEE, CHAIRMAN DEYNE

Trustee Deyne presented and moved to approve Resolution 2015-50-R, A Resolution Approving of Disbursement Request for Payout No. 25 from the Subordinate Lien Tax Increment Revenue Note, Series 2007 for the Elmhurst Chicago Stone Bartlett Quarry Redevelopment Project and was seconded by Trustee Camerer.

Trustee Hopkins asked about the large payout for Lot 9B and asked for details.

Community Development Director Plonczynski stated that they are preparing the lot area for future development and this includes earthwork and site grading.

ROLL CALL VOTE TO APPROVE RESOLUTION 2015-50-R APPROVING A DISBURSEMENT FOR ELMHURST CHICAGO STONE

AYES: Trustees Camerer, Carbonaro, Deyne, Hopkins, Reinke
NAYS: None
ABSENT: Trustee Arends
MOTION CARRIED

D. LICENSE & ORDINANCE COMMITTEE, CHAIRMAN ARENDS

Trustee Arends stated that the BAPS Charity Walkathon Parade Permit and BAPS Charity Walkathon Amplifier Permit requests were covered and approved under the Consent Agenda.

VILLAGE OF BARTLETT
BOARD MINUTES
June 2, 2015

E. POLICE & HEALTH COMMITTEE, CHAIRMAN CARONARO

Trustee Carbonaro stated that the Squad Purchase (7 cars), CSO Vehicle Purchase and Mobile Command Center Purchase were covered and approved under the Consent Agenda.

F. PUBLIC WORKS COMMITTEE, CHAIRMAN CAMERER

Trustee Camerer presented Resolution 2015-48-R, A Resolution Awarding and Approving the Contract Between the Village of Bartlett and Arrow Road Construction Co. for the 2015 MFT Various Street Project and Approving Change Order No. 1.

He stated that the Village went out for bid on this project which includes removing and replacing curbs and gutters, driveway aprons, pavement patching, milling and asphalt resurfacing on various streets. The budget for this project is \$623,000. This project was bid on a unit price basis and four bids were received. Based on the estimated quantities, the low bid was received from Arrow Road Construction Co. at \$677,151.45. To meet the budgeted amounts, staff recommends deleting the Class "D" patch work and to shorten the limits of construction on Stearns Road by 500 feet. Staff will perform the Class "D" patching. Staff recommends approval with those changes to bring the cost of the project within budget.

Trustee Camerer moved to approve Resolution 2015-48-R, A Resolution Awarding and Approving the Contract Between the Village of Bartlett and Arrow Road Construction Co. for the 2015 MFT Various Street Project and Approving Change Order No. 1 as presented, and that motion was seconded by Trustee Reinke.

Trustee Camerer asked what Class D patching was.

Public Works Director Dinges stated that it meant that they have to go down to the subbase gravel base.

ROLL CALL VOTE TO APPROVE RESOLUTION 2015-48-R APPROVING THE CONTRACT WITH ARROW ROAD CONSTRUCTION AND CHANGE ORDER NO. 1

AYES: Trustees Camerer, Carbonaro, Deyne, Hopkins, Reinke

NAYS: None

ABSENT: Trustee Arends

MOTION CARRIED

Trustee Camerer presented Resolution 2015-49-R, A Resolution Awarding and Approving of the Contract Between the Village of Bartlett and A/Lamp Concrete Contractors Inc. for the Stearns Road Bike Trail Project.

VILLAGE OF BARTLETT
BOARD MINUTES
June 2, 2015

He stated that this project consists of constructing an 8 foot wide asphalt path from Windsor Drive to Bittersweet Drive. The Village received two bids for this project. The project budget is \$132,000 and the low bid from A/Lamp Concrete, Inc. came in at \$122,551.72 based on the unit price bid and the estimated quantities for the project.

Trustee Camerer moved to approve Resolution 2015-49-R, A Resolution Awarding and Approving of the Contract Between the Village of Bartlett and A/Lamp Concrete Contractors Inc. for the Stearns Road Bike Trail Project as presented, and that motion was seconded by Trustee Reinke.

ROLL CALL VOTE TO APPROVE RESOLUTION 2015-49-R APPROVING THE CONTRACT WITH A/LAMP CONCRETE FOR STEARNS ROAD BIKE TRAIL PROJECT

AYES: Trustees Camerer, Carbonaro, Deyne, Hopkins, Reinke
NAYS: None
ABSENT: Trustee Arends
MOTION CARRIED

Administrator Salmons stated that this project has gone on for many years. The Forest Preserve paid for this bike trail since the Village paid for the trail to the dog park.

Trustee Camerer stated that Resolution 2015-51-R, A Resolution Approving the Country Creek Lift Station Agreement Between the Village of Bartlett and Crawford, Murphy & Tilly, Inc. was covered and approved under the Consent Agenda.

13. NEW BUSINESS

Trustee Camerer stated that the hanging baskets in the downtown corridor looked great.

Trustee Deyne asked how many days they had to vote on the TIF ordinance.

Community Development Director Plonczynski stated that it was 14-90 days.

Trustee Reinke asked if they were refining the massage license ordinance.

Attorney Mraz stated that a draft has been prepared but he is still gathering information from other municipal attorneys.

Village Administrator Salmons stated that it is tentatively scheduled to be presented on July 7th at the Committee of the Whole meeting.

VILLAGE OF BARTLETT
BOARD MINUTES
June 2, 2015

14. QUESTION/ANSWER: PRESIDENT & TRUSTEES

President Wallace asked that they move the Executive Session to a future meeting.

Trustee Camerer moved to approve of moving the Executive Session to a future meeting and that motion was seconded by Trustee Carbonaro.

ROLL CALL VOTE TO MOVE EXECUTIVE SESSION TO A FUTURE MEETING

AYES: Trustees Camerer, Carbonaro, Deyne, Reinke
NAYS: Trustee Hopkins
ABSENT: Trustee Arends
MOTION CARRIED

15. ADJOURNMENT

There being no further business to discuss, Trustee Deyne moved to adjourn the regular Board meeting and that motion was seconded by Trustee Carbonaro.

ROLL CALL VOTE TO ADJOURN

AYES: Trustees Camerer, Carbonaro, Deyne, Hopkins, Reinke
NAYS: None
ABSENT: Trustee Arends
MOTION CARRIED

The meeting was adjourned at 9:03 p.m.

Lorna Gilles
Village Clerk

LG/

VILLAGE OF BARTLETT
COMMITTEE MINUTES

June 2, 2015

President Wallace called the Committee of the Whole meeting to order at 9:03 p.m.

Present: Trustee Camerer, Carbonaro, Deyne, Hopkins, and Reinke

Absent: Trustee Arends

Also Present: Village Clerk Lorna Gilles, Village Administrator Valerie L. Salmons, Assistant Village Administrator Paula Schumacher, Assistant to the Village Administrator Scott Skrycki, Finance Director Jeff Martynowicz, Community Development Director Jim Plonczynski, Assistant Community Development Director Roberta Grill, Economic Development Coordinator Tony Fradin, Building Director Brian Goralski, Public Works Director Dan Dinges, Public Works Engineer Bob Allen, Chief Kent Williams, Food & Beverage Manager Paul Petersen, and Attorney Bryan Mraz

PLANNING & ZONING COMMITTEE

Daniela's Special Use – Liquor & Outdoor Seating

Chairman Reinke asked Community Development Director Jim Plonczynski to review the agenda item.

J. Plonczynski explained that the petitioner, Peter Zaikowski, is requesting special use permits to serve liquor and for outdoor seating in conjunction with a video gaming establishment at 300 Bartlett Avenue – Cartland Building, formerly Station Cleaners. The petitioner is proposing to open a video gaming establishment that will provide food and refreshments including liquor for adults that wish to game outside of a casino environment. The floor plan shows five internal games and seating areas. There will also be an outdoor seating area during nice weather for those patrons wishing to dine and drink outside. The petitioner will move his indoor tables and chairs outside during nice weather. There will be no outdoor gambling. Mr. Zaikowski is proposing to offer liquor, beer, and wine for their patrons. They have applied for a Class A Liquor License. Once a liquor license is issued, the petitioner will be able to apply for the state video gaming license. Parking for the Cartland Building consists of 36 spaces located west of the building. This use would require 3 spaces. The hours of operation would be Sunday-Thursday 9:00 a.m. to midnight and Friday-Saturday 9:00 a.m. to 2:00 a.m. Currently, the Village has approved video gaming in three gaming establishments. The petitioner is present to answer any questions.

Trustee Hopkins clarified that the business is proposing to stay open until 2:00 a.m. on Friday and Saturday.

P. Zaikowski responded yes.

Trustee Hopkins asked the number of other establishments that are open until 2:00 a.m.

J. Plonczynski responded that there are twelve liquor licenses that allow a business to stay open until 2:00 a.m.

President Wallace stated that Bracht's Place is open until 4:00 a.m., the Cadillac Ranch is open until 3:00 a.m., Bannerman's is open until 2:00 a.m., and McMaes and O'Hare's have a license to be open late as well.

Trustee Hopkins asked if the outdoor seating area would be open at 2:00 a.m.

P. Zaikowski responded that the outdoor area will probably close at 10:00 p.m.

Trustee Camerer asked if any communication has been made with the medical clinic next door to the proposed site.

P. Zaikowski responded that the owner of the building has talked to the medical clinic and given the okay.

Trustee Camerer commented that the doctors in the building next door really don't know much about what is being proposed. He stated that he would like to see that the tenants be made aware of what is coming in next door and how it could affect their practice.

Chairman Reinke stated that the proposed plan is encouraging. It's in an area of the downtown that has been struggling. The petitioner has heard the prior discussion relative to the downtown and is proposing a concept that may very well work. He stated that he is encouraged and hopes to move the petition on to the Plan Commission for further review.

President Wallace agreed.

There being no further comments or questions, Chairman Reinke forwarded the item to the Plan Commission for further review.

Starbucks Special Use – Beer & Wine

Chairman Reinke asked Community Development Director Jim Plonczynski to review the agenda item.

J. Plonczynski explained that the petitioner, Coffee House Holdings, Inc. representing Starbucks, is requesting a special use permit to serve beer and wine. The Starbucks at 1681 S. Rt. 59 has recently gone through some major renovations to expand for what they call the evening hours. The petitioner has been at that location since 1999 and is approved for outdoor seating. There will be fencing around the outdoor seating area and they must maintain an accessible pedestrian walkway between the enclosure and the parking stalls. Starbucks is currently open seven days a week from 5:30 a.m. to 8:00 p.m. The evening menu would start in the afternoon and be served until regular closing hours. The proposed hours meet the restrictions of the Class B Liquor License. There

are currently seven Chicagoland locations open that serve beer and wine with their evening menu. Starbucks is represented tonight and available to answer any questions. Staff is recommending the petition be forwarded to the Plan Commission.

President Wallace asked if it is too early for the Starbucks brand to given any indication of the success of the beer/wine concept.

E. Shook, representing Starbucks, explained that it has been successful enough for Starbucks to roll it out at over 80 locations.

President Wallace asked if they would be interested in putting gaming machines at that location.

E. Shook responded no.

Trustee Camerer asked the type of beer or wine that would be served.

E. Shook responded that there will be a variety of 12 to 15 wines ranging from \$8 to \$15 a glass and 6 craft beers.

Trustee Camerer asked if the menu would change as well.

E. Shook responded that there will be an additional food program; small plated foods, intended to share like tapas-style foods. There are also some flatbreads that are unique to the evening locations.

Trustee Carbonaro stated that it is the perfect time of the year to introduce the evening menu and beer and wine. People can sit outside and enjoy.

Trustee Camerer suggested that Starbucks Corporate be asked to put a location in the downtown.

E. Shook corrected the hours of operation to extend to 10:00 p.m. Depending on the demand, it was also contemplated to extend the hours to 11:00 p.m.

Trustee Hopkins asked if Starbucks would choose downtown Bartlett, if there wasn't a TIF.

E. Shook responded that the earlier TIF discussion was very well managed and very well spoken.

Trustee Camerer asked how the Village Board would go about approaching Starbucks to talk about a downtown location.

E. Shook explained that there is a Property Division within Starbucks Corporate and the query can be referred to them.

There being no further comments or questions, Chairman Reinke forwarded the item to the Plan Commission for further review.

Marketing Plan

Chairman Reinke asked Assistant Village Administrator Paula Schumacher to review the agenda item.

P. Schumacher explained that the Village Board had requested that staff develop a marketing plan to set out the Village's overall marketing strategy. The plan pulls together the various marketing goals and ongoing efforts into one document. It is divided into four main areas: Technology, Partnerships and Outreach, Tangible Marketing Products, and Visibility. Each activity is then attributed to a commercial, industrial, or residential focus. The plan is two years in scope to mirror the timeframes of the EDC recommendations and the Strategic Plan. Staff is looking for the Board's direction to move the Marketing Plan to the EDC for further review and implementation.

Chairman Reinke asked when the plan is brought before the EDC, is it staff's intent to flush things out. As presented, it's not really a plan. He stated that is not a criticism, but more of an observation. It is more of a to-do list. He asked if Spartan Marketing will also be included in the EDC discussions.

P. Schumacher responded that we can certainly ask them to be part of those discussions.

President Wallace clarified that Spartan is from Elgin Community College.

Trustee Camerer stated that he is happy that he was able to suggest that the Village utilize Beacon Academy, and it looks like they have pretty much completed the project. He asked if there is some way to re-visit that with them. He stated that he was pleased with it, but wished that they held cue cards in front of President Wallace so he could have read the cue cards straight ahead, instead of turning his head down. He asked if the video could be refined.

P. Schumacher responded that the Village actually had two projects with Beacon Academy – they did a series of interviews with longtime residents talking about an artifact that they donated to the museum that we are using in the upcoming exhibit for the Village's 125th anniversary.

Trustee Camerer stated that the video is very distracting with the Mayor not looking straight ahead.

President Wallace agreed.

Administrator Salmons stated that we went back to see if there was an opportunity to review different parts of that, but the class was over. That was just a function of timing with them. But, they did do a pretty good job.

Trustee Camerer agreed that they did a good job, but having cards that could be read straight ahead would have made it a lot better.

Administrator Salmons stated that staff will continue to work with them.

Chairman Reinke stated that in the matrix starting on Page 2 and extending to Page 5, industrial uses don't seem to be the target of a lot of the Village's efforts. While industrial development is tricky, the EDC should also consider broadening the Village's marketing efforts to include industrial type uses. He stated that no one wants to see a radio-active treatment plant in town, but certainly if we can get a well-run industrial business employing people and paying property taxes, that would be a good result for the Village.

Trustee Hopkins stated that he has also noticed that the Village doesn't "tweet" too much and to stay relevant, you need to tweet six to fifteen times a day. The Village tweets, on average, once a month. The Village hasn't fully utilized that option of social media.

Administrator Salmons responded that the Village has different departments that tweet, but we certainly could make an effort to tweet far more often.

Chairman Reinke stated that he is not a tweeter or does not use Twitter, but does use Facebook. It is a challenge because some people post way too much, but at the same time, it's nice to see things. There are a lot of cool things happening in town that aren't necessarily translated in Facebook. The Village needs to be more proactive about that. We shouldn't just limit it to the business component or the museum or the Police Department – it needs to be across the board – there are lots of good things happening in Bartlett and we could publicize it all for free on Facebook. He stated that he would be happy to share those posts.

President Wallace stated that he has heard of a boosting technique and a lot of people are talking about boosting their posts. If you have a certain amount of "likes" you can boost your post.

Administrator Salmons responded that staff will look into that. She commented that one of the things that Trustee Camerer had initiated in the beginning was to have eBlasts. We have been pretty consistent with that and while it isn't a big group, it is growing by leaps and bounds. People like that because they are able to pick a particular subject so they are not always getting hit by it, but they get hit by the eBlast that they are most interested in.

President Wallace referred to the sentence in the plan – "A marketing strategy that upholds and supports the vision of the local community....." He stated that from the time he was on the EDC, some of the things that we're lacking, is just focusing on one area. We need to have a different vision for Rt. 59; a different vision for downtown; etc. because they are different environments. When we talk about doing any of the marketing plan, all of us, the EDC, the Plan Commission, the Chamber of Commerce, all have to be on the same page as far as what that vision is. Before we start picking and choosing what areas would be the lowest hanging fruit, it would be good to have the EDC's vision for the Rt. 59 corridor and moving on; and what is in the back of the Plan Commission's mind as far

as what they can foresee future development being. We have to incorporate that into the Rt. 59 area. If we can get a vision from everyone and we come up with a blended vision, then everyone is rowing in the same direction. That would be most beneficial to implement some of these ideas.

Administrator Salmons added that having a separate vision for downtown, in particular, would be critical because if you ask any four people in the audience tonight, they would tell you what downtown Bartlett should be and all the answers would be different. So being able to have a vision of downtown that everyone's on board for would be critical.

President Wallace stated that the verbiage be changed to show the vision separately for the downtown area, the vision for the Rt. 59 corridor; we have to implement all of the different areas.

Chairman Reinke commented that public input is vital to the marketing plan. Logistically it may be a challenge to get that, but we've got all the facilities such as Facebook and Twitter, etc. and other ways we can solicit comments from people. He stated that he has gotten a number of posts on Facebook relative to the TIF. Different types of people use Facebook than Twitter and emails, so you can't discount using a multi-platform type of approach to reach out to people and get their input.

There being no further comments or questions, Chairman Reinke forwarded the item to the EDC for further review.

FINANCE COMMITTEE

Councils of Government Services Review

Chairman Deyne asked Assistant Village Administrator Paula Schumacher to review the agenda item.

P. Schumacher explained that during the budget review, the Village Board asked for additional information regarding the services provided by the DuPage Mayors and Managers Conference and the Northwest Municipal Conference. As of yet, those memberships have not been renewed for the 2015-16 fiscal year. The list, included in the Board's packet, shows the participation of the Village in utilizing the different services provided by those COGs and also where they are jointly working together to provide services like the Suburban Purchasing Cooperative. That is something that both those groups work together to provide and the Village certainly takes great advantage of that. It also includes the different committees that we participate on; both staff and elected officials participate on transportation committees with DuPage Mayors and Managers and different work groups. She stated that one of the big things that the Village does with these COGs is pursue funding for road improvements, bike paths, and various grants. Also included is information regarding the Illinois Municipal League because while both groups do lobbying, we also benefit from the lobbying efforts of the IML. There is also some information on Cullen and Associates and the Village's use of that business.

Trustee Camerer ask if the Village has to be a member of the DuPage River Salt Creek Workgroup in order to be involved with the Public Works project that was discussed at the last meeting.

D. Dinges explained that the DuPage River Salt Creek Workgroup is a separate group underneath DuPage Mayors and Managers – it's a subgroup with a separate membership fee. By being a part of that group, the Village is going to save over \$1 million with the special conditions that the group was able to negotiate with the EPA.

Trustee Camerer asked if by not being involved with DuPage Mayors and Managers, the Village wouldn't be excluded from participating in the workgroup.

D. Dinges responded that he would check to see if you can participate in the workgroup without being a member of DMMC.

Administrator Salmons added that one of the things we get from both DMMC and NWMC is road money, when we qualify. Our thought is, as discussed during the budget, that funding at some level for Rt. 59 and West Bartlett Road would be something that we would like to pursue with NWMC. Certainly, you saw the email sent out last Friday – we have secured FAU designation for two roads. In the future, maybe three, four or five years, when those roads need upgrading, we will have the opportunity to get LAPP funds from DMMC. We have someone on the road committee now and we're always going to in order to make sure that we are at the table to lobby for those kinds of funds. In terms of large impact, it is the road money that is the most significant.

Trustee Camerer clarified that the Village would receive most of that funding through DuPage Mayors and Managers Conference.

Administrator Salmons explained that historically, the Village has gotten most of the road money through DMMC. We did get a piece of the Oak Avenue project from NWMC several years ago, but it seems to be more roads and more opportunities in DuPage County.

Trustee Reinke stated that one of the reasons he asked about the COGs was 1) the cost and 2) how is the Village actively participating in the organization. He stated that he was on the transportation policy committee with DMMC and went to many meetings in Oak Brook. He stated that he can no longer get to those meetings. It's hard for the elected officials to go to those meetings, but if we are going to be members of the DMMC and the NWMC, we need to actively participate. It's important that we actively participate in IML as well. If we are actually getting money from DMMC and NWMC, and we are, we really should be lobbying these groups. He stated that he went to the meetings to get some money for Bartlett. We should all, to the extent that we can, do that. He asked who would replace him on the transportation policy committee.

Administrator Salmons responded that it is really critical to have an elected official there, but staff is on it. Bob Allen goes to all of their meetings and Jim Plonczynski is on the transportation technical committee. In order to be on the transportation policy committee, you have to be an elected official. She stated that she served on that committee for many

years when the Village wanted Prospect Avenue extended. It is important that either one of the elected officials or administrator be on the committee because there is still money coming from the feds and the Village should avail themselves of it.

Trustee Reinke added that dollars from the state and the federal government are going to be increasingly sparse, so the Village has to step up their game. He stated that it seems to be overkill to have both COGs and their associated lobbying entities, along with IML and then to have Cullen and Associates. It does seem to be overkill. He stated that he has been reading the bulletins through email and NWMC is very good.

Administrator Salmons added that IML is very good also; IML is the clearest. She stated that she argued many years during the budget to cut Cullen and Associates and the Board chose not to. Cullen's emails are not his strongpoint, as you know from reading them. The value that we get from Cullen, and we can't put a dollar amount on it, is we have a very personal face in Springfield relative to the issues we find critical. We have a very personal face in somebody's office talking about what's important to Bartlett. Particularly, in this last year, we were able to have Mr. Cullen there on a regular basis, every day, arguing the Village's issues. It isn't his reporting that is the value, but it is the immediacy and his personal knowledge. Mr. Cullen has been in Springfield forever; he used to be a representative down there. There is value – is it worth the amount we pay? – that's a policy decision.

Trustee Reinke stated that he sees other community leaders and DMMC have a disproportionate voice based on their participation. He stated that a couple of you on the Board know exactly who is being talked about and he has a disproportionate voice just based on his presence and that would be a very good substitution for Cullen & Associates. He added, however, a criticism of DMMC, is that he has volunteered in numerous capacities for them and they have not availed themselves. There is definitely a block there. He stated when he first showed up, the reaction was, wow, there is someone from Bartlett here. With regard to NWMC, we pay them \$22,000 a year and then get a fancy invitation to their gala, not a party, a gala at a cost of \$75 per person. He stated that it struck him as big dollars.....it was an expensive proposition. He stated that he would hate to see something like that come from the Village of Bartlett, but Bartlett is much more fiscally responsible.

President Wallace stated that when he was first serving as Village President, he asked about the COGs and staff responded with exactly the exercise we are doing now. It's very, very difficult. He suggested finding a way to earmark, for future benefit, for all future trustees, that an item had roots with Cullen, with NWMC, or with DMMC. There is \$100,000 in fees that the Village is paying to different organizations and when you are just coming in new, you don't know the benefits. He stated that it's still somewhat foggy, so there has to be way to tag all monies coming in. He suggested everyone think about it a little more, research it a little more and make a decision on trimming some of them back or leaving it as it is and see what happens throughout the next year.

Trustee Camerer stated that he would like to know more about the DuPage River Salt Creek Workgroup as far as the benefit if not a DMMC member.

Administrator Salmons responded that staff will look into that and get back to the Board.

Trustee Reinke asked if the Village gets the EAP (Employee Assistance Program) from Northwest Municipal Conference.

Administrator Salmons responded yes.

Trustee Reinke asked if DMMC has an EAP program available.

Administrator Salmons responded that she is not aware of one, but staff will check on that.

Trustee Reinke suggested that the COG services review discussion continue at the next Committee meeting.

There being no further comments or questions, President Wallace entertained a motion to adjourn the Committee of the Whole meeting.

Moved by Trustee Camerer
Seconded by Trustee Hopkins

Motion carried.

President Wallace adjourned the Committee of the Whole meeting at 9:40 p.m.

Re: Bannerman's Sports Grill Class J Liquor License Application

Bannerman's Sports Grill has requested a Class J liquor license to sell alcohol at their annual anniversary event on August 21 and 22, 2015 from 6:00 p.m. to 11:00 p.m. at the Bartlett Commons shopping center.

The Village Board created the Class J liquor license for special events that enables organizations that currently hold a Bartlett liquor license for the sale and consumption of alcohol to hold an outdoor special event liquor license on a limited basis. The license restricts the special event to a six hour time frame between the hours of noon and 11:00 p.m. if held on a Friday or Saturday. In 2013, the Village Board amended the license to allow for two days per year.

The Class J license is issued by the Liquor Commissioner with the consent of the Village Board. Like our other special event liquor licenses, this license is issued per event and the number is not created by ordinance.

Proof of insurance and written permission from the owner of the property where the event will take place is also required. The appropriate certificate of insurance has been submitted by the applicant. The certificate has been reviewed and approved by the Village Attorney.

MOTION

I move to approve the Class J liquor license application submitted by Bannerman's Sports Grill for a special event from 6:00 p.m. to 11:00 p.m. on August 21 and August 22, 2015.

\$11085

VILLAGE OF BARTLETT
CLASS J LIQUOR LICENSE APPLICATION

DATE: 5-26-15
FEE: \$100.00 Per Year

The Class J license (as defined in Section 3-3-2-12), which allows a licensee who holds a Class A, A extended, B, F, and/or G liquor license that has been issued by the Village of Bartlett local Liquor Control Commissioner (the "local Liquor Control Commissioner") to sell and offer for sale, at retail, alcoholic liquor for use and consumption, but not for resale in any form, only at the location and on the specific date or dates designated for the "special event" as defined below, I and as set forth in the license, subject to the restrictions set forth below:

Hours of Operation:

1. Not to exceed six (6) hours within a period of twenty-four (24) hours;
2. Within the following time limits:

Sunday – Thursday	from 12:00 noon until 9:00pm
Friday – Saturday	from 12:00 noon until 11:00pm

A Class J license may be issued at anytime by Local Liquor Control Commissioner with the approval of the Board of Trustees, and shall be issued for a specific time period, not to exceed six (6) consecutive hours in any one day, per licensee, per authorized location, and not to exceed two (2) days in any twelve (12) month period, whether held on two (2) successive days constituting a single special event covered by the issuance of a single Class J Liquor License, or two (2) separate days not in succession, each of which shall constitute a separate special event and each requiring a separate Class J license.

The undersigned hereby makes application for a Class J Liquor License and hereby certifies to the following facts:

Name of Business: Bannerman's Sports Grill

Mailing Address of Business: 858 ST RT 59

Contact Name: Murray Friedman Telephone Number: 630-213-2400

Date of Event: 8/21 - 8/22

Times of event (include am/pm): 6pm to 11pm

Certificate of Insurance in compliance with Section 3-3-6 of the Bartlett Liquor Control Ordinance MUST be attached.

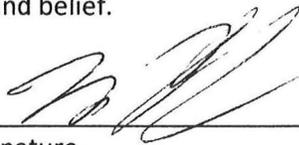

Location: The location shall be as designated on the license. Locations shall be limited to property that is located adjacent to the premises and/or in the same commercial center in which the licensee's business for which licensee has been granted his, hers or its respective Class A, A extended, B, F and/or G liquor license by the local Liquor Control Commissioner, is located. In the event licensee does not own said adjacent property or the commercial center, licensee must furnish proof that the owner of said property has granted licensee the right to use and occupy the property on which the special event will take place for the time period and purposes of the event in the form of a written lease agreement, license agreement and/or other written agreement authorizing said special event to take place on his, her or its property acceptable to the local Liquor Control Commissioner.

Definition: "Special event" as used herein means an event involving the sale and/or offer for sale of alcohol during the time period on the date(s) and at the location specified on the Class J Liquor License. A special event retailer licensee for the purposes of this section includes for profit business entities.

Re: Bartlett Fourth of July Liquor License

The Bartlett Fourth of July Committee has submitted an application for a Class D liquor license for the 2015 Fourth of July festival July 2 through July 5, 2015 at Apple Orchard Community Park.

The Class D license allows for the sale of alcoholic liquor for consumption on the licensed premises for a special event.

The certificate of insurance has not been submitted, however the license can be approved and the license issued when the appropriate and approved certificate of insurance is submitted by the 4th of July Committee.

MOTION

I move to approve the Class D Liquor License application of the Bartlett Fourth of July Committee for the 2015 festival, July 2-5, 2015 to be issued when the appropriate certificate of insurance has been received by the Village.

RESOLUTION 2015-____-R

**A RESOLUTION STATING THE VILLAGE OF BARTLETT'S OPPOSITION TO
THE SPECIAL USE FOR AN AGGREGATE AND CONCRETE CRUSHING
OPERATION ON THE NORTH SIDE OF WEST BARTLETT ROAD
(COOK COUNTY ZBA REFERENCE #SU-15-06)**

WHEREAS, a petition for a special use (the "Petition") has been filed with the County of Cook for the operation of an aggregate and concrete crusher at the property on the north side of West Bartlett Road, 1900' west of Naperville Road, in Hanover Township, Cook County, Illinois, legally described in the owner's petition before the Cook County Zoning Board of Appeals as Reference #SU-15-06 (the "Subject Property"); and

WHEREAS, the petitioner arbitrarily carved out a 5.01 +/- acre portion of its larger contiguous property and designated it as the Subject Property; and

WHEREAS, the Subject Property lies within 1 ½ miles of the corporate limits of the Village of Bartlett, the municipality with limits nearest adjacent to the Subject Property; and

WHEREAS, James Plonczynski, the Community Development Director and authorized representative of the Village of Bartlett, was in communication with the Staff at the Cook County Zoning Board of Appeals and sent a letter of objection on May 19, 2015, in the case concerning the Subject Property, and

WHEREAS, that the Village of Bartlett has considered the Intent and Purpose of the Cook County Zoning Ordinance and the items on which the Cook County Zoning Board of Appeals must base its decision in whether to grant a special use or not, including the Standards upon which a special use may be granted (Section 13.9.9 of the Cook County Zoning Ordinance), and the performance standards set forth in the Cook County Zoning

Ordinance for such uses (Section 6.2.9, Special Provisions, No. 4, Performance Standards);

NOW, THEREFORE, BE IT ORDAINED by the President and Board of Trustees of the Village of Bartlett, Cook, DuPage and Kane Counties, Illinois, as follows:

SECTION ONE: That the Village of Bartlett hereby objects to the proposed special use for an aggregate and concrete crushing operation on the Subject Property on the basis that the granting of the special use:

- a. Will not promote and protect the public health, safety, comfort, convenience and general welfare of the people
- b. Will not protect residential, business or manufacturing areas alike from harmful encroachments and incompatible uses.
- c. Will not insure high standards of light, air and open space in areas where people live and work.
- d. Will not relieve street congestion through adequate requirements for off street parking, but will in fact increase street congestion.
- e. Will not isolate or control the location of a nuisance producing use.
- f. Will not provide adequate protection against fire, explosion, noxious fumes and other hazards in the interest of public health, safety, and general welfare.
- g. Will be detrimental to or damage the public health, safety and general welfare because it will cause a visual and audio nuisance, which would be injurious to the residential uses in the immediate vicinity.
- h. Will be injurious to the use and enjoyment of the property in the immediate vicinity for the purposes already permitted.
- i. Will substantially diminish and impair the property values of other property owners in the immediate vicinity of the Subject Property.
- j. Will impede the normal and orderly development and improvement of surrounding property for uses permitted in the district.
- k. Adequate measures have not been taken and the petitioner has failed to show that adequate measures will be taken to provide safe ingress and egress so designed as to minimize traffic congestion on the public streets, and that ingress and egress to the Subject Property is already dangerous and additional truck traffic that would result from the special use would increase the traffic volume and congestion along West Bartlett Road.
- l. Adequate measures have not been taken and the petitioner has failed to demonstrate that the granting of the special use will conform to the performance standards set forth in the Cook County Zoning Ordinance,

Section 6.2.9, Special Provision, No. 4, including showing that the proposed activity or operation will not cause at any time the discharge of matter across lot lines in such a concentration as to be noxious, particularly with respect to Subsection d thereof relating to (a.) noise, (b.) vibration, (c.) smoke and particular matter, and (e.) noxious and odorous matter.

- m. The petitioner has failed to demonstrate that the granting of the special use will not be detrimental to or endanger to the public health, safety, and general welfare of the residents of the Village of Bartlett.

SECTION TWO: SEVERABILITY. If any section, paragraph or provision of this Resolution shall be held to be invalid or unenforceable for any reason, the invalidity or unenforceability of such section, paragraph or provision shall not affect any of the remaining provisions of this Resolution.

SECTION THREE: REPEAL OF PRIOR RESOLUTIONS. All prior Ordinances and Resolutions in conflict or inconsistent herewith are hereby expressly repealed only to the extent of such conflict or inconsistency.

SECTION FOUR: EFFECTIVE DATE. This Resolution shall be in full force and effect after its passage and approval.

**RE: Village of Bartlett's Objection to a Special Use Permit to
operate an Aggregate and Concrete Crushing and recycling
operation Hanover Township, Cook County, Illinois- Cook County
ZBA Reference #SU-15-06**

Dear Mr. Przybylo,

This is to inform you that the Village of Bartlett is objecting to Earth Inc.'s Special Use for an Aggregate and Concrete Crushing Operation on the north side of West Bartlett Road, 1900' west of Naperville Road. Cook County, Illinois (Cook County ZBA Reference #SU-15-06).

The Village of Bartlett will not be able to attend the Public Hearing on May 20, 2015 but expresses concerns against the proposed special use as required in the Cook County Zoning Ordinance 13.9.9. The Village of Bartlett considered the evidence and bases its objection on the fact that a Special Use for an aggregate and concrete crushing operation will be detrimental to the public, health, safety and general welfare of the residents living in close proximity to the site; will be injurious to the use and enjoyment of property in the immediate vicinity and impair property values in the neighborhood; will impede the normal and orderly development and improvement of the surrounding property; does not provide an adequate and safe access to the site; does not provide safe and properly designed ingress and egress to the site which minimizes traffic congestion and safety; and will not conform to the performance standards of the Cook County Zoning Ordinance particularly with the following 1-2 Industrial Performance Standards listed in the Section 6.29E.4. (a.) Noise, (b.) Vibration, (c.) Smoke and Particulate Matter.

RESOLUTION 2007 – 34 - R

**A RESOLUTION STATING THE VILLAGE OF BARTLETT'S OPPOSITION TO
THE SPECIAL USE FOR AN AGGREGATE AND CONCRETE CRUSHING
OPERATION ON THE NORTH SIDE OF WEST BARTLETT ROAD,
515' EAST OF TAMELING COURT
(COOK COUNTY ZBA DOCKET #8237)**

WHEREAS, a petition for a special use (the "Petition") has been filed with the County of Cook for the operation of an aggregate and concrete crusher at the property on the north side of West Bartlett Road, 515' east of Tamelung Court, in Hanover Township, Cook County, Illinois, legally described in the owner's petition before the Cook County Zoning Board of Appeals as Docket #8237 (the "Subject Property"); and

WHEREAS, the petitioner arbitrarily carved out a 4.83 +/- acre portion of its larger contiguous property and designated it as the Subject Property; and

WHEREAS, the Subject Property is neither a "lot of record" nor a "zoning lot" as those terms are defined within the Cook County Zoning Ordinance, and as a consequence the purported notice of the public hearing held before the Cook County Zoning Board of Appeals on March 19, 2007 was and is defective in that the petitioner failed to give notice to property owners within two hundred fifty feet (250') of the lot lines of his property as required by Section 13.8.2 of the Cook County Zoning Ordinance; and

WHEREAS, the Subject Property lies within 1 ½ miles of the corporate limits of the Village of Bartlett, the municipality with limits nearest adjacent to the Subject Property; and

WHEREAS, James Plonczynski, the Community Development Director and authorized representative of the Village of Bartlett, was in attendance at the public hearing

conducted by the Cook County Zoning Board of Appeals on March 19, 2007, and heard the evidence in the case concerning the Subject Property, and did in fact give oral testimony against the proposed special use on behalf of the Village of Bartlett in accordance with Section 13.9.9 of the Cook County Zoning Ordinance and raised the issue of the defective notice; and

WHEREAS, that the Village of Bartlett has considered the Intent and Purpose of the Cook County Zoning Ordinance and the items on which the Cook County Zoning Board of Appeals must base its decision in whether to grant a special use or not, including the Standards upon which a special use may be granted (Section 13.9.9 of the Cook County Zoning Ordinance), and the performance standards set forth in the Cook County Zoning Ordinance for such uses (Section 6.2.9, Special Provisions, No. 4, Performance Standards);

NOW, THEREFORE, BE IT ORDAINED by the President and Board of Trustees of the Village of Bartlett, Cook, DuPage and Kane Counties, Illinois, as follows:

SECTION ONE: That the Village of Bartlett hereby objects to the proposed special use for an aggregate and concrete crushing operation on the Subject Property on the basis that the granting of the special use:

- a. Will not promote and protect the public health, safety, comfort, convenience and general welfare of the people
- b. Will not protect residential, business or manufacturing areas alike from harmful encroachments and incompatible uses.
- c. Will not insure high standards of light, air and open space in areas where people live and work.
- d. Will not relieve street congestion through adequate requirements for off street parking, but will in fact increase street congestion.
- e. Will not isolate or control the location of a nuisance producing use.
- f. Will not provide adequate protection against fire, explosion, noxious fumes and other hazards in the interest of public health, safety, and

general welfare.

- g. Will be detrimental to or damage the public health, safety and general welfare because it will cause a visual and audio nuisance, which would be injurious to the residential uses in the immediate vicinity.
- h. Will be injurious to the use and enjoyment of the property in the immediate vicinity for the purposes already permitted.
- i. Will substantially diminish and impair the property values of other property owners in the immediate vicinity of the Subject Property.
- j. Will impede the normal and orderly development and improvement of surrounding property for uses permitted in the district.
- k. Adequate measures have not been taken and the petitioner has failed to show that adequate measures will be taken to provide safe ingress and egress so designed as to minimize traffic congestion on the public streets, and that ingress and egress to the Subject Property is already dangerous and additional truck traffic that would result from the special use would increase the traffic volume and congestion along West Bartlett Road.
- l. Adequate measures have not been taken and the petitioner has failed to demonstrate that the granting of the special use will conform to the performance standards set forth in the Cook County Zoning Ordinance, Section 6.2.9, Special Provision, No. 4, including showing that the proposed activity or operation will not cause at any time the discharge of matter across lot lines in such a concentration as to be noxious, particularly with respect to Subsection d thereof relating to (a.) noise, (b.) vibration, (c.) smoke and particular matter, and (e.) noxious and odorous matter.
- m. The petitioner has failed to demonstrate that the granting of the special use will not be detrimental to or endanger to the public health, safety, and general welfare of the residents of the Village of Bartlett.
- n. The notice of the public hearing before the Cook County Zoning Board of Appeals was defective in that property owners within 250 feet of the petitioner's property constituting a "lot of record" or "zoning lot" were not given proper notice, thereby depriving Cook County of proper jurisdiction over the Subject Property.

SECTION TWO: SEVERABILITY. If any section, paragraph or provision of this Resolution shall be held to be invalid or unenforceable for any reason, the invalidity or unenforceability of such section, paragraph or provision shall not affect any of the remaining provisions of this Resolution.

SECTION THREE: REPEAL OF PRIOR RESOLUTIONS. All prior Ordinances and Resolutions in conflict or inconsistent herewith are hereby expressly repealed only to the extent of such conflict or inconsistency.

SECTION FOUR: EFFECTIVE DATE. This Resolution shall be in full force and

effect after its passage and approval.

MEMORANDUM

TO: President and Board of Trustees of the Village of Bartlett
Valerie L. Salmons, Village Administrator

FROM: Bryan E. Mraz

DATE: June 8, 2015

RE: Prevailing Wage Ordinance

The Prevailing Wage Act (820 ILCS 130/1, *et seq.*) (the "Act") mandates that municipalities require contractors to pay, in those situations where the Act applies, all laborers, mechanics and other workers that are engaged in the construction or maintenance of public works, at least the minimum prevailing legal rate of wage as determined by the Illinois Department of Labor ("IDOL"). Each June the Village is required by the Act to adopt a prevailing wage ordinance which provides that in all contracts the Village enters for public works the general prevailing rate of hourly wages in the locality in which the work is to be performed (i.e., Cook, DuPage or Kane County) is paid for each craft or type of worker or mechanic needed to execute the contract.

Attached is an Ordinance for the Board's consideration and vote to comply with the Act, and attached to it are the prevailing wages for each county in which the Village is located. After adoption, the Village is required to publish a notice that it has complied with the Act, and to file a certified copy of the Ordinance with the Illinois Secretary of State and with the IDOL.

Although the Ordinance is passed in June, the IDOL can change the prevailing wages throughout the year. Bid specifications for public works projects mandate that the Act must be complied with and prevailing wages must be paid, and if the rate is changed by the IDOL during the bidding process or term of a contract, the revised rates must be paid by the contractor. The contractor is required, where the Act applies, to file copies of certified payroll with the Village to evidence compliance with the Act, and the Village in turn is required to keep the certified payroll on file for a period of three years.

The Act is enforced by the IDOL which regularly performs audits of all municipalities to verify compliance and that certified payrolls are on file. The Illinois Supreme Court has held that the prevailing wage to be paid by municipalities is a matter of state, rather than local, concern and accordingly that the Act is also applicable to home rule municipalities such as the Village of Bartlett.

Accordingly, I recommend the Board pass Ordinance 2015-_____, "An Ordinance Ascertaining Prevailing Wages in the Village of Bartlett".

ORDINANCE NO. 2015 - _____

**AN ORDINANCE ASCERTAINING PREVAILING WAGES
IN THE VILLAGE OF BARTLETT**

WHEREAS, the State of Illinois has enacted "An Act regulating wages of laborers, mechanics and other workers employed in any public works by the State, county, city or any public body or any political subdivision or by any one under contract for public works", approved June 26, 1941, as amended, (820 ILCS 130/0.01, *et seq.*) (the "Prevailing Wage Act" or the "Act"); and

WHEREAS, the Prevailing Wage Act requires that the Village of Bartlett, Cook, DuPage and Kane Counties, Illinois (the "Village"), investigate and ascertain the prevailing rate of wages as defined in the Act for laborers, mechanics and other workers in the locality of the Village performing public works for the Village;

NOW, THEREFORE, BE IT ORDAINED by the President and Board of Trustees of Village of Bartlett, Cook, DuPage and Kane Counties, Illinois as follows:

SECTION ONE: To the extent and as required by the Prevailing Wage Act, as amended, the general prevailing rate of wages in this locality for laborers, mechanics and other workers engaged in performing public works coming under the jurisdiction of the Village is hereby ascertained to be the same as the applicable prevailing rate of wages of construction work for Cook, DuPage and Kane Counties, Illinois, as determined by the Department of Labor of the State of Illinois as of June of the current year for the respective Counties in which said public works are performed. Copies of said determinations are attached hereto and incorporated herein by reference (the "IDOL Determinations"). As required by the Act, any and all revisions of the

prevailing rate of wages by the Department of Labor of the State of Illinois shall supersede the IDOL Determinations and apply to any and all public works undertaken by the Village. The definition of any terms appearing in this Ordinance which are also used in the Act shall be the same as in the Act.

SECTION TWO: Nothing herein contained shall be construed to apply said general prevailing rate of wages as herein ascertained to any work or employment, except public works of the Village to the extent required by the Act.

SECTION THREE: The Village Clerk shall publicly post or keep available for inspection by any interested party in the main office of the Village this determination or any revisions of such prevailing rate of wages. To the extent required under the Act: (i) a copy of this determination or of the current revised determination of prevailing rate of wages then in effect shall be attached to all bid specifications for public work projects subject to the Act; (ii) all contracts, purchase orders and other documents for such projects shall require that not less than the prevailing rate of wages as determined herein, subject to subsequent revisions by the Illinois Department of Labor and/or the Village, shall be paid to all laborers, workers and mechanics performing work under such contracts; and (iii) such bid documents, resolutions, ordinances, and contracts pertaining to public works shall otherwise comply with the requirements of the Act.

SECTION FOUR: The Village Clerk shall promptly mail a copy of this determination to any employer, and to any association of employers, and to any person or association of employees who have filed their names and addresses requesting copies of any determination, stating the particular rates and the particular class of workers whose wages will be affected by such rates.

SECTION FIVE: The Village Clerk shall promptly file a certified copy of this Ordinance with both the Secretary of State Index Division (Springfield, Illinois) and the Department of Labor of the State of Illinois on or before July 15, 2015.

SECTION SIX: Within thirty (30) days of filing a certified copy of this Ordinance with the Secretary of State, the Village Clerk shall cause notice of the determination by the Village President and Board of Trustees regarding said prevailing rate of wages to be published in a newspaper of general circulation within the Village.

SECTION SEVEN: Severability. The various provisions of this Ordinance are to be considered as severable and if any part or portion of this Ordinance shall be held invalid by any Court of competent jurisdiction, such decision shall not affect the validity of the remaining provisions of this Ordinance.

SECTION EIGHT: Repeal of Prior Ordinances. All prior Ordinances and Resolutions in conflict or inconsistent herewith are hereby expressly repealed only to the extent of such conflict or inconsistency.

SECTION NINE: Effective Date. This Ordinance shall be in full force and effect upon its passage and approval.

Explanations**COOK COUNTY**

The following list is considered as those days for which holiday rates of wages for work performed apply: New Years Day, Memorial Day, Fourth of July, Labor Day, Thanksgiving Day, Christmas Day and Veterans Day in some classifications/counties. Generally, any of these holidays which fall on a Sunday is celebrated on the following Monday. This then makes work performed on that Monday payable at the appropriate overtime rate for holiday pay. Common practice in a given local may alter certain days of celebration. If in doubt, please check with IDOL.

TRUCK DRIVERS (WEST) - That part of the county West of Barrington Road.

EXPLANATION OF CLASSES

ASBESTOS - GENERAL - removal of asbestos material/mold and hazardous materials from any place in a building, including mechanical systems where those mechanical systems are to be removed. This includes the removal of asbestos materials/mold and hazardous materials from ductwork or pipes in a building when the building is to be demolished at the time or at some close future date.

ASBESTOS - MECHANICAL - removal of asbestos material from mechanical systems, such as pipes, ducts, and boilers, where the mechanical systems are to remain.

CERAMIC TILE FINISHER

The grouting, cleaning, and polishing of all classes of tile, whether for interior or exterior purposes, all burned, glazed or unglazed products; all composition materials, granite tiles, warning detectable tiles, cement tiles, epoxy composite materials, pavers, glass, mosaics, fiberglass, and all substitute materials, for tile made in tile-like units; all mixtures in tile like form of cement, metals, and other materials that are for and intended for use as a finished floor surface, stair treads, promenade roofs, walks, walls, ceilings,

swimming pools, and all other places where tile is to form a finished interior or exterior. The mixing of all setting mortars including but not limited to thin-set mortars, epoxies, wall mud, and any other sand and cement mixtures or adhesives when used in the preparation, installation, repair, or maintenance of tile and/or similar materials. The handling and unloading of all sand, cement, lime, tile, fixtures, equipment, adhesives, or any other materials to be used in the preparation, installation, repair, or maintenance of tile and/or similar materials. Ceramic Tile Finishers shall fill all joints and voids regardless of method on all tile work, particularly and especially after installation of said tile work. Application of any and all protective coverings to all types of tile installations including, but not be limited to, all soap compounds, paper products, tapes, and all polyethylene coverings, plywood, masonite, cardboard, and any new type of products that may be used to protect tile installations, Blastrac equipment, and all floor scarifying equipment used in preparing floors to receive tile. The clean up and removal of all waste and materials. All demolition of existing tile floors and walls to be re-tiled.

COMMUNICATIONS ELECTRICIAN

Installation, operation, inspection, maintenance, repair and service of radio, television, recording, voice sound vision production and reproduction, telephone and telephone interconnect, facsimile, data apparatus, coaxial, fibre optic and wireless equipment, appliances and systems used for the transmission and reception of signals of any nature, business, domestic, commercial, education, entertainment, and residential purposes, including but not limited to, communication and telephone, electronic and sound equipment, fibre optic and data communication systems, and the performance of any task directly related to such installation or service whether at new or existing sites, such tasks to include the placing of wire and cable and electrical power conduit or other raceway work within the equipment room and pulling wire and/or cable through conduit and the installation of any incidental conduit, such that the employees covered hereby can complete any job in full.

MARBLE FINISHER

Loading and unloading trucks, distribution of all materials (all stone, sand, etc.), stocking of floors with material, performing all rigging for heavy work, the handling of all material that may be needed for the installation of such materials, building of scaffolding, polishing if needed, patching, waxing of material if damaged, pointing up, caulking, grouting and cleaning of marble, holding water on diamond or Carborundum blade or saw for setters cutting, use of tub saw or any other saw needed for preparation of material, drilling of holes for wires that anchor material set by setters, mixing up of molding plaster for installation of material, mixing up thin set for the installation of material, mixing up of sand to cement for the installation of material and such other work as may be required in helping a Marble Setter in the handling of all material in the erection or installation of interior marble, slate, travertine, art marble, serpentine, alberene stone, blue stone, granite and other stones (meaning as to stone any foreign or domestic materials as are specified and used in building interiors and exteriors and customarily known as stone in the trade), carrara, sanionyx, vitrolite and similar opaque glass and the laying of all marble tile, terrazzo tile, slate tile and precast tile, steps, risers treads, base, or any other materials that may be used as substitutes for any of the aforementioned materials and which are used on interior and exterior which are installed in a similar manner.

MATERIAL TESTER I: Hand coring and drilling for testing of materials; field inspection of uncured concrete and asphalt.

MATERIAL TESTER II: Field inspection of welds, structural steel, fireproofing, masonry, soil, facade, reinforcing steel, formwork, cured concrete, and concrete and asphalt batch plants; adjusting proportions of bituminous mixtures.

OPERATING ENGINEER - BUILDING

Class 1. Asphalt Plant; Asphalt Spreader; Autograde; Backhoes with Caisson Attachment; Batch Plant; Benoto (requires Two Engineers); Boiler and Throttle Valve; Caisson Rigs; Central Redi-Mix Plant; Combination Back Hoe Front End-loader Machine; Compressor and Throttle Valve; Concrete Breaker (Truck Mounted); Concrete Conveyor; Concrete Conveyor (Truck Mounted); Concrete Paver Over 27E cu. ft; Concrete Paver 27E cu. ft. and Under; Concrete Placer; Concrete Placing Boom; Concrete Pump (Truck Mounted); Concrete Tower; Cranes, All; Cranes, Hammerhead; Cranes, (GCI and similar Type); Creter Crane; Spider Crane; Crusher, Stone, etc.; Derricks, All; Derricks, Traveling; Formless Curb and Gutter Machine; Grader, Elevating; Grouting Machines; Heavy Duty Self-Propelled Transporter or Prime Mover; Highlift Shovels or Front Endloader 2-1/4 yd. and over; Hoists, Elevators, outside type rack and pinion and similar machines; Hoists, One, Two and Three Drum; Hoists, Two Tugger One Floor; Hydraulic Backhoes; Hydraulic Boom Trucks; Hydro Vac (and similar equipment); Locomotives, All; Motor Patrol; Lubrication Technician; Manipulators; Pile Drivers and Skid Rig; Post Hole Digger; Pre-Stress Machine; Pump Cretes Dual Ram; Pump Cretes: Squeeze Cretes-Screw Type Pumps; Gypsum Bulker and Pump; Raised and Blind Hole Drill; Roto Mill Grinder; Scoops - Tractor Drawn; Slip-Form Paver; Straddle Buggies; Operation of Tie Back Machine; Tournapull; Tractor with Boom and Side Boom; Trenching Machines.

Class 2. Boilers; Broom, All Power Propelled; Bulldozers; Concrete Mixer (Two Bag and Over); Conveyor, Portable; Forklift Trucks; Highlift Shovels or Front Endloaders under 2-1/4 yd.; Hoists, Automatic; Hoists, Inside Elevators; Hoists, Sewer Dragging Machine; Hoists, Tugger Single Drum; Laser Screed; Rock Drill (Self-Propelled); Rock Drill (Truck Mounted); Rollers, All; Steam Generators; Tractors, All; Tractor Drawn Vibratory Roller; Winch Trucks with "A" Frame.

Class 3. Air Compressor; Combination Small Equipment Operator; Generators; Heaters, Mechanical; Hoists, Inside Elevators (remodeling or renovation work); Hydraulic Power Units (Pile Driving, Extracting, and Drilling); Pumps, over 3" (1 to 3 not to exceed a total of 300 ft.); Low Boys; Pumps, Well Points; Welding Machines (2 through 5); Winches, 4 Small Electric Drill Winches.

Class 4. Bobcats and/or other Skid Steer Loaders; Oilers; and Brick Forklift.

Class 5. Assistant Craft Foreman.

Class 6. Gradall.

Class 7. Mechanics; Welders.

OPERATING ENGINEERS - HIGHWAY CONSTRUCTION

Class 1. Asphalt Plant; Asphalt Heater and Planer Combination; Asphalt Heater Scarfire; Asphalt Spreader; Autograder/GOMACO or other similar type machines: ABG Paver; Backhoes with Caisson Attachment; Ballast Regulator; Belt Loader; Caisson Rigs; Car Dumper; Central Redi-Mix Plant; Combination Backhoe Front Endloader Machine, (1 cu. yd. Backhoe Bucket or over or with attachments); Concrete Breaker (Truck

Mounted); Concrete Conveyor; Concrete Paver over 27E cu. ft.; Concrete Placer; Concrete Tube Float; Cranes, all attachments; Cranes, Tower Cranes of all types: Creter Crane: Spider Crane; Crusher, Stone, etc.; Derricks, All; Derrick Boats; Derricks, Traveling; Dredges; Elevators, Outside type Rack & Pinion and Similar Machines; Formless Curb and Gutter Machine; Grader, Elevating; Grader, Motor Grader, Motor Patrol, Auto Patrol, Form Grader, Pull Grader, Subgrader; Guard Rail Post Driver Truck Mounted; Hoists, One, Two and Three Drum; Heavy Duty Self-Propelled Transporter or Prime Mover; Hydraulic Backhoes; Backhoes with shear attachments up to 40' of boom reach; Lubrication Technician; Manipulators; Mucking Machine; Pile Drivers and Skid Rig; Pre-Stress Machine; Pump Cretes Dual Ram; Rock Drill - Crawler or Skid Rig; Rock Drill - Truck Mounted; Rock/Track Tamper; Roto Mill Grinder; Slip-Form Paver; Snow Melters; Soil Test Drill Rig (Truck Mounted); Straddle Buggies; Hydraulic Telescoping Form (Tunnel); Operation of Tieback Machine; Tractor Drawn Belt Loader; Tractor Drawn Belt Loader (with attached pusher - two engineers); Tractor with Boom; Tractaire with Attachments; Traffic Barrier Transfer Machine; Trenching; Truck Mounted Concrete Pump with Boom; Raised or Blind Hole Drills (Tunnel Shaft); Underground Boring and/or Mining Machines 5 ft. in diameter and over tunnel, etc; Underground Boring and/or Mining Machines under 5 ft. in diameter; Wheel Excavator; Widener (APSCO).

Class 2. Batch Plant; Bituminous Mixer; Boiler and Throttle Valve; Bulldozers; Car Loader Trailing Conveyors; Combination Backhoe Front Endloader Machine (Less than 1 cu. yd. Backhoe Bucket or over or with attachments); Compressor and Throttle Valve; Compressor, Common Receiver (3); Concrete Breaker or Hydro Hammer; Concrete Grinding Machine; Concrete Mixer or Paver 7S Series to and including 27 cu. ft.; Concrete Spreader; Concrete Curing Machine, Burlap Machine, Belting Machine and Sealing Machine; Concrete Wheel Saw; Conveyor Muck Cars (Haglund or Similar Type); Drills, All; Finishing Machine - Concrete; Highlift Shovels or Front Endloader; Hoist - Sewer Dragging Machine; Hydraulic Boom Trucks (All Attachments); Hydro-Blaster; Hydro Excavating (excluding hose work); Laser Screed; All Locomotives, Dinky; Off-Road Hauling Units (including articulating) Non Self-Loading Ejection Dump; Pump Cretes: Squeeze Cretes - Screw Type Pumps, Gypsum Bulker and Pump; Roller, Asphalt; Rotary Snow Plows; Rototiller, Seaman, etc., self-propelled; Self-Propelled Compactor; Spreader - Chip - Stone, etc.; Scraper - Single/Twin Engine/Push and Pull; Scraper - Prime Mover in Tandem (Regardless of Size); Tractors pulling attachments, Sheeps Foot, Disc, Compactor, etc.; Tug Boats.

Class 3. Boilers; Brooms, All Power Propelled; Cement Supply Tender; Compressor, Common Receiver (2); Concrete Mixer (Two Bag and Over); Conveyor, Portable; Farm-Type Tractors Used for Mowing, Seeding, etc.; Forklift Trucks; Grouting Machine; Hoists, Automatic; Hoists, All Elevators; Hoists, Tugger Single Drum; Jeep Diggers; Low Boys; Pipe Jacking Machines; Post-Hole Digger; Power Saw, Concrete Power Driven; Pug Mills; Rollers, other than Asphalt; Seed and Straw Blower; Steam Generators; Stump Machine; Winch Trucks with "A" Frame; Work Boats; Tamper-Form-Motor Driven.

Class 4. Air Compressor; Combination - Small Equipment Operator; Directional Boring Machine; Generators; Heaters, Mechanical; Hydraulic Power Unit (Pile Driving, Extracting, or Drilling); Light Plants, All (1 through 5); Pumps, over 3" (1 to 3 not to exceed a total of 300 ft.); Pumps, Well Points; Vacuum Trucks (excluding hose work); Welding Machines (2 through 5); Winches, 4 Small Electric Drill Winches.

Class 5. SkidSteer Loader (all); Brick Forklifts; Oilers.

Class 6. Field Mechanics and Field Welders

Class 7. Dowell Machine with Air Compressor; Gradall and machines of like nature.

OPERATING ENGINEER - FLOATING

Class 1. Craft Foreman; Master Mechanic; Diver/Wet Tender; Engineer; Engineer (Hydraulic Dredge).

Class 2. Crane/Backhoe Operator; Boat Operator with towing endorsement; Mechanic/Welder; Assistant Engineer (Hydraulic Dredge); Leverman (Hydraulic Dredge); Diver Tender.

Class 3. Deck Equipment Operator, Machineryman, Maintenance of Crane (over 50 ton capacity) or Backhoe (115,000 lbs. or more); Tug/Launch Operator; Loader/Dozer and like equipment on Barge, Breakwater Wall, Slip/Dock, or Scow, Deck Machinery, etc.

Class 4. Deck Equipment Operator, Machineryman/Fireman (4 Equipment Units or More); Off Road Trucks; Deck Hand, Tug Engineer, Crane Maintenance (50 Ton Capacity and Under) or Backhoe Weighing (115,000 pounds or less); Assistant Tug Operator.

Class 5. Friction or Lattice Boom Cranes.

Class 6. ROV Pilot, ROV Tender

SURVEY WORKER - Operated survey equipment including data collectors, G.P.S. and robotic instruments, as well as conventional levels and transits.

TERRAZZO FINISHER

The handling of sand, cement, marble chips, and all other materials that may be used by the Mosaic Terrazzo Mechanic, and the mixing, grinding, grouting, cleaning and sealing of all Marble, Mosaic, and Terrazzo work, floors, base, stairs, and wainscoting by hand or machine, and in addition, assisting and aiding Marble, Masonic, and Terrazzo Mechanics.

TRAFFIC SAFETY

Work associated with barricades, horses and drums used to reduce lane usage on highway work, the installation and removal of temporary lane markings, and the installation and removal of temporary road signs.

TRUCK DRIVER - BUILDING, HEAVY AND HIGHWAY CONSTRUCTION - EAST & WEST

Class 1. Two or three Axle Trucks. A-frame Truck when used for transportation purposes; Air Compressors and Welding Machines, including those pulled by cars, pick-up trucks and tractors; Ambulances; Batch Gate Lockers; Batch Hopperman; Car and Truck Washers; Carry-alls; Fork Lifts and Hoisters; Helpers; Mechanics Helpers and Greasers; Oil Distributors 2-man operation; Pavement Breakers; Pole Trailer, up to 40 feet; Power Mower Tractors; Self-propelled Chip Spreader; Skipman; Slurry Trucks, 2-man operation; Slurry Truck Conveyor Operation, 2 or 3 man; Teamsters; Unskilled Dumpman; and Truck Drivers hauling warning lights, barricades, and portable toilets on the job site.

Class 2. Four axle trucks; Dump Crets and Adgetors under 7 yards; Dumpsters, Track Trucks, Euclids, Hug Bottom Dump Turnapulls or Turnatrailers when pulling other than self-loading equipment or similar equipment under 16 cubic yards; Mixer Trucks under 7 yards; Ready-mix Plant Hopper Operator, and Winch Trucks, 2 Axles.

Class 3. Five axle trucks; Dump Crets and Adgetors 7 yards and over; Dumpsters, Track Trucks, Euclids, Hug Bottom Dump Turnatrailers or turnapulls when pulling other than self-loading equipment or similar

equipment over 16 cubic yards; Explosives and/or Fission Material Trucks; Mixer Trucks 7 yards or over; Mobile Cranes while in transit; Oil Distributors, 1-man operation; Pole Trailer, over 40 feet; Pole and Expandable Trailers hauling material over 50 feet long; Slurry trucks, 1-man operation; Winch trucks, 3 axles or more; Mechanic--Truck Welder and Truck Painter.

Class 4. Six axle trucks; Dual-purpose vehicles, such as mounted crane trucks with hoist and accessories; Foreman; Master Mechanic; Self-loading equipment like P.B. and trucks with scoops on the front.

Other Classifications of Work:

For definitions of classifications not otherwise set out, the Department generally has on file such definitions which are available. If a task to be performed is not subject to one of the classifications of pay set out, the Department will upon being contacted state which neighboring county has such a classification and provide such rate, such rate being deemed to exist by reference in this document. If no neighboring county rate applies to the task, the Department shall undertake a special determination, such special determination being then deemed to have existed under this determination. If a project requires these, or any classification not listed, please contact IDOL at 217-782-1710 for wage rates or clarifications.

LANDSCAPING

Landscaping work falls under the existing classifications for laborer, operating engineer and truck driver. The work performed by landscape plantsman and landscape laborer is covered by the existing classification of laborer. The work performed by landscape operators (regardless of equipment used or its size) is covered by the classifications of operating engineer. The work performed by landscape truck drivers (regardless of size of truck driven) is covered by the classifications of truck driver.

MATERIAL TESTER & MATERIAL TESTER/INSPECTOR I AND II

Notwithstanding the difference in the classification title, the classification entitled "Material Tester I" involves the same job duties as the classification entitled "Material Tester/Inspector I". Likewise, the classification entitled "Material Tester II" involves the same job duties as the classification entitled "Material Tester/Inspector II".

Du Page County Prevailing Wage for June 2015

(See explanation of column headings at bottom of wages)

Legend: RG (Region)

TYP (Trade Type - All, Highway, Building, Floating, Oil & Chip, Rivers)

C (Class)

Base (Base Wage Rate)

FRMAN (Foreman Rate)

M-F>8 (OT required for any hour greater than 8 worked each day, Mon through Fri.)

OSA (Overtime (OT) is required for every hour worked on Saturday)

OSH (Overtime is required for every hour worked on Sunday and Holidays)

H/W (Health & Welfare Insurance)

Pensn (Pension)

Vac (Vacation)

Trng (Training)

Explanations**DUPAGE COUNTY**

IRON WORKERS AND FENCE ERECTOR (WEST) - West of Route 53.

The following list is considered as those days for which holiday rates of wages for work performed apply: New Years Day, Memorial Day, Fourth of July, Labor Day, Thanksgiving Day, Christmas Day and Veterans Day in some classifications/counties. Generally, any of these holidays which fall on a Sunday is celebrated on the following Monday. This then makes work performed on that Monday payable at the appropriate overtime rate for holiday pay. Common practice in a given local may alter certain days of celebration. If in doubt, please check with IDOL.

EXPLANATION OF CLASSES

ASBESTOS - GENERAL - removal of asbestos material/mold and hazardous materials from any place in a building, including mechanical systems where those mechanical systems are to be removed. This includes the removal of asbestos materials/mold and hazardous materials from ductwork or pipes in a building when the building is to be demolished at the time or at some close future date.

ASBESTOS - MECHANICAL - removal of asbestos material from mechanical systems, such as pipes, ducts, and boilers, where the mechanical systems are to remain.

TRAFFIC SAFETY - work associated with barricades, horses and drums used to reduce lane usage on highway work, the installation and removal of temporary lane markings, and the installation and removal of temporary road signs.

CERAMIC TILE FINISHER

The grouting, cleaning, and polishing of all classes of tile, whether for interior or exterior purposes, all burned, glazed or unglazed products; all composition materials, granite tiles, warning detectable tiles, cement tiles, epoxy composite materials, pavers, glass,

mosaics, fiberglass, and all substitute materials, for tile made in tile-like units; all mixtures in tile like form of cement, metals, and other materials that are for and intended for use as a finished floor surface, stair treads, promenade roofs, walks, walls, ceilings, swimming pools, and all other places where tile is to form a finished interior or exterior. The mixing of all setting mortars including but not limited to thin-set mortars, epoxies, wall mud, and any other sand and cement mixtures or adhesives when used in the preparation, installation, repair, or maintenance of tile and/or similar materials. The handling and unloading of all sand, cement, lime, tile, fixtures, equipment, adhesives, or any other materials to be used in the preparation, installation, repair, or maintenance of tile and/or similar materials. Ceramic Tile Finishers shall fill all joints and voids regardless of method on all tile work, particularly and especially after installation of said tile work. Application of any and all protective coverings to all types of tile installations including, but not be limited to, all soap compounds, paper products, tapes, and all polyethylene coverings, plywood, masonite, cardboard, and any new type of products that may be used to protect tile installations, Blastrac equipment, and all floor scarifying equipment used in preparing floors to receive tile. The clean up and removal of all waste and materials. All demolition of existing tile floors and walls to be re-tiled.

COMMUNICATIONS TECHNICIAN

Low voltage installation, maintenance and removal of telecommunication facilities (voice, sound, data and video) including telephone and data inside wire, interconnect, terminal equipment, central offices, PABX, fiber optic cable and equipment, micro waves, V-SAT, bypass, CATV, WAN (wide area networks), LAN (local area networks), and ISDN (integrated system digital network), pulling of wire in raceways, but not the installation of raceways.

MARBLE FINISHER

Loading and unloading trucks, distribution of all materials (all stone, sand, etc.), stocking of floors with material, performing all rigging for heavy work, the handling of all material that may be needed for the installation of such materials, building of scaffolding, polishing if needed, patching, waxing of material if damaged, pointing up, caulking, grouting and cleaning of marble, holding water on diamond or Carborundum blade or saw for setters cutting, use of tub saw or any other saw needed for preparation of material, drilling of holes for wires that anchor material set by setters, mixing up of molding plaster for installation of material, mixing up thin set for the installation of material, mixing up of sand to cement for the installation of material and such other work as may be required in helping a Marble Setter in the handling of all material in the erection or installation of interior marble, slate, travertine, art marble, serpentine, alberene stone, blue stone, granite and other stones (meaning as to stone any foreign or domestic materials as are specified and used in building interiors and exteriors and customarily known as stone in the trade), carrara, sanionyx, vitrolite and similar opaque glass and the laying of all marble tile, terrazzo tile, slate tile and precast tile, steps, risers treads, base, or any other materials that may be used as substitutes for any of the aforementioned materials and which are used on interior and exterior which are installed in a similar manner.

MATERIAL TESTER I: Hand coring and drilling for testing of materials; field inspection of uncured concrete and asphalt.

MATERIAL TESTER II: Field inspection of welds, structural steel, fireproofing, masonry, soil, facade, reinforcing steel, formwork, cured concrete, and concrete and asphalt batch plants; adjusting

proportions of bituminous mixtures.

OPERATING ENGINEER - BUILDING

Class 1. Asphalt Plant; Asphalt Spreader; Autograde; Backhoes with Caisson Attachment; Batch Plant; Benoto (requires Two Engineers); Boiler and Throttle Valve; Caisson Rigs; Central Redi-Mix Plant; Combination Back Hoe Front End-loader Machine; Compressor and Throttle Valve; Concrete Breaker (Truck Mounted); Concrete Conveyor; Concrete Conveyor (Truck Mounted); Concrete Paver Over 27E cu. ft; Concrete Paver 27E cu. ft. and Under; Concrete Placer; Concrete Placing Boom; Concrete Pump (Truck Mounted); Concrete Tower; Cranes, All; Cranes, Hammerhead; Cranes, (GCI and similar Type); Creter Crane; Spider Crane; Crusher, Stone, etc.; Derricks, All; Derricks, Traveling; Formless Curb and Gutter Machine; Grader, Elevating; Grouting Machines; Heavy Duty Self-Propelled Transporter or Prime Mover; Highlift Shovels or Front Endloader 2-1/4 yd. and over; Hoists, Elevators, outside type rack and pinion and similar machines; Hoists, One, Two and Three Drum; Hoists, Two Tugger One Floor; Hydraulic Backhoes; Hydraulic Boom Trucks; Hydro Vac (and similar equipment); Locomotives, All; Motor Patrol; Lubrication Technician; Manipulators; Pile Drivers and Skid Rig; Post Hole Digger; Pre-Stress Machine; Pump Cretes Dual Ram; Pump Cretes: Squeeze Cretes-Screw Type Pumps; Gypsum Bulker and Pump; Raised and Blind Hole Drill; Roto Mill Grinder; Scoops - Tractor Drawn; Slip-Form Paver; Straddle Buggies; Operation of Tie Back Machine; Tournapull; Tractor with Boom and Side Boom; Trenching Machines.

Class 2. Boilers; Broom, All Power Propelled; Bulldozers; Concrete Mixer (Two Bag and Over); Conveyor, Portable; Forklift Trucks; Highlift Shovels or Front Endloaders under 2-1/4 yd.; Hoists, Automatic; Hoists, Inside Elevators; Hoists, Sewer Dragging Machine; Hoists, Tugger Single Drum; Laser Screed; Rock Drill (Self-Propelled); Rock Drill (Truck Mounted); Rollers, All; Steam Generators; Tractors, All; Tractor Drawn Vibratory Roller; Winch Trucks with "A" Frame.

Class 3. Air Compressor; Combination Small Equipment Operator; Generators; Heaters, Mechanical; Hoists, Inside Elevators (remodeling or renovation work); Hydraulic Power Units (Pile Driving, Extracting, and Drilling); Pumps, over 3" (1 to 3 not to exceed a total of 300 ft.); Low Boys; Pumps, Well Points; Welding Machines (2 through 5); Winches, 4 Small Electric Drill Winches.

Class 4. Bobcats and/or other Skid Steer Loaders; Oilers; and Brick Forklift.

Class 5. Assistant Craft Foreman.

Class 6. Gradall.

Class 7. Mechanics; Welders.

OPERATING ENGINEERS - HIGHWAY CONSTRUCTION

Class 1. Asphalt Plant; Asphalt Heater and Planer Combination; Asphalt Heater Scarfire; Asphalt Spreader; Autograder/GOMACO or other similar type machines; ABG Paver; Backhoes with Caisson Attachment; Ballast Regulator; Belt Loader; Caisson Rigs; Car Dumper; Central Redi-Mix Plant; Combination Backhoe Front Endloader Machine, (1 cu. yd. Backhoe Bucket or over or with attachments); Concrete Breaker (Truck Mounted); Concrete Conveyor; Concrete Paver over 27E cu. ft.; Concrete Placer; Concrete Tube Float; Cranes, all attachments; Cranes, Tower Cranes of all types; Creter Crane; Spider Crane; Crusher, Stone, etc.; Derricks, All; Derrick Boats; Derricks, Traveling; Dredges; Elevators, Outside type Rack & Pinion and Similar Machines; Formless

Curb and Gutter Machine; Grader, Elevating; Grader, Motor Grader, Motor Patrol, Auto Patrol, Form Grader, Pull Grader, Subgrader; Guard Rail Post Driver Truck Mounted; Hoists, One, Two and Three Drum; Heavy Duty Self-Propelled Transporter or Prime Mover; Hydraulic Backhoes; Backhoes with shear attachments up to 40' of boom reach; Lubrication Technician; Manipulators; Mucking Machine; Pile Drivers and Skid Rig; Pre-Stress Machine; Pump Cretes Dual Ram; Rock Drill - Crawler or Skid Rig; Rock Drill - Truck Mounted; Rock/Track Tamper; Roto Mill Grinder; Slip-Form Paver; Snow Melters; Soil Test Drill Rig (Truck Mounted); Straddle Buggies; Hydraulic Telescoping Form (Tunnel); Operation of Tieback Machine; Tractor Drawn Belt Loader; Tractor Drawn Belt Loader (with attached pusher - two engineers); Tractor with Boom; Tractaire with Attachments; Traffic Barrier Transfer Machine; Trenching; Truck Mounted Concrete Pump with Boom; Raised or Blind Hole Drills (Tunnel Shaft); Underground Boring and/or Mining Machines 5 ft. in diameter and over tunnel, etc; Underground Boring and/or Mining Machines under 5 ft. in diameter; Wheel Excavator; Widener (APSCO).

Class 2. Batch Plant; Bituminous Mixer; Boiler and Throttle Valve; Bulldozers; Car Loader Trailing Conveyors; Combination Backhoe Front Endloader Machine (Less than 1 cu. yd. Backhoe Bucket or over or with attachments); Compressor and Throttle Valve; Compressor, Common Receiver (3); Concrete Breaker or Hydro Hammer; Concrete Grinding Machine; Concrete Mixer or Paver 75 Series to and including 27 cu. ft.; Concrete Spreader; Concrete Curing Machine, Burlap Machine, Belting Machine and Sealing Machine; Concrete Wheel Saw; Conveyor Muck Cars (Haglund or Similar Type); Drills, All; Finishing Machine - Concrete; Highlift Shovels or Front Endloader; Hoist - Sewer Dragging Machine; Hydraulic Boom Trucks (All Attachments); Hydro-Blaster; Hydro Excavating (excluding hose work); Laser Screed; All Locomotives, Dinky; Off-Road Hauling Units (including articulating) Non Self-Loading Ejection Dump; Pump Cretes: Squeeze Cretes - Screw Type Pumps, Gypsum Bulker and Pump; Roller, Asphalt; Rotary Snow Plows; Rototiller, Seaman, etc., self-propelled; Self-Propelled Compactor; Spreader - Chip - Stone, etc.; Scraper - Single/Twin Engine/Push and Pull; Scraper - Prime Mover in Tandem (Regardless of Size); Tractors pulling attachments, Sheeps Foot, Disc, Compactor, etc.; Tug Boats.

Class 3. Boilers; Brooms, All Power Propelled; Cement Supply Tender; Compressor, Common Receiver (2); Concrete Mixer (Two Bag and Over); Conveyor, Portable; Farm-Type Tractors Used for Mowing, Seeding, etc.; Forklift Trucks; Grouting Machine; Hoists, Automatic; Hoists, All Elevators; Hoists, Tugger Single Drum; Jeep Diggers; Low Boys; Pipe Jacking Machines; Post-Hole Digger; Power Saw, Concrete Power Driven; Pug Mills; Rollers, other than Asphalt; Seed and Straw Blower; Steam Generators; Stump Machine; Winch Trucks with "A" Frame; Work Boats; Tamper-Form-Motor Driven.

Class 4. Air Compressor; Combination - Small Equipment Operator; Directional Boring Machine; Generators; Heaters, Mechanical; Hydraulic Power Unit (Pile Driving, Extracting, or Drilling); Light Plants, All (1 through 5); Pumps, over 3" (1 to 3 not to exceed a total of 300 ft.); Pumps, Well Points; Vacuum Trucks (excluding hose work); Welding Machines (2 through 5); Winches, 4 Small Electric Drill Winches.

Class 5. SkidSteer Loader (all); Brick Forklifts; Oilers.

Class 6. Field Mechanics and Field Welders

Class 7. Dowell Machine with Air Compressor; Gradall and machines of like nature.

OPERATING ENGINEER - FLOATING

Diver. Diver Wet Tender, Diver Tender, ROV Pilot, ROV Tender

SURVEY WORKER - Operated survey equipment including data collectors, G.P.S. and robotic instruments, as well as conventional levels and transits.

TRUCK DRIVER - BUILDING, HEAVY AND HIGHWAY CONSTRUCTION

Class 1. Two or three Axle Trucks. A-frame Truck when used for transportation purposes; Air Compressors and Welding Machines, including those pulled by cars, pick-up trucks and tractors; Ambulances; Batch Gate Lockers; Batch Hopperman; Car and Truck Washers; Carry-alls; Fork Lifts and Hoisters; Helpers; Mechanics Helpers and Greasers; Oil Distributors 2-man operation; Pavement Breakers; Pole Trailer, up to 40 feet; Power Mower Tractors; Self-propelled Chip Spreader; Skipman; Slurry Trucks, 2-man operation; Slurry Truck Conveyor Operation, 2 or 3 man; Teamsters; Unskilled Dumpman; and Truck Drivers hauling warning lights, barricades, and portable toilets on the job site.

Class 2. Four axle trucks; Dump Crets and Adgetors under 7 yards; Dumpsters, Track Trucks, Euclids, Hug Bottom Dump Turnapulls or Turnatrailers when pulling other than self-loading equipment or similar equipment under 16 cubic yards; Mixer Trucks under 7 yards; Ready-mix Plant Hopper Operator, and Winch Trucks, 2 Axles.

Class 3. Five axle trucks; Dump Crets and Adgetors 7 yards and over; Dumpsters, Track Trucks, Euclids, Hug Bottom Dump Turnatrailers or turnapulls when pulling other than self-loading equipment or similar equipment over 16 cubic yards; Explosives and/or Fission Material Trucks; Mixer Trucks 7 yards or over; Mobile Cranes while in transit; Oil Distributors, 1-man operation; Pole Trailer, over 40 feet; Pole and Expandable Trailers hauling material over 50 feet long; Slurry trucks, 1-man operation; Winch trucks, 3 axles or more; Mechanic--Truck Welder and Truck Painter.

Class 4. Six axle trucks; Dual-purpose vehicles, such as mounted crane trucks with hoist and accessories; Foreman; Master Mechanic; Self-loading equipment like P.B. and trucks with scoops on the front.

TERRAZZO FINISHER

The handling of sand, cement, marble chips, and all other materials that may be used by the Mosaic Terrazzo Mechanic, and the mixing, grinding, grouting, cleaning and sealing of all Marble, Mosaic, and Terrazzo work, floors, base, stairs, and wainscoting by hand or machine, and in addition, assisting and aiding Marble, Masonic, and Terrazzo Mechanics.

Other Classifications of Work:

For definitions of classifications not otherwise set out, the Department generally has on file such definitions which are available. If a task to be performed is not subject to one of the classifications of pay set out, the Department will upon being contacted state which neighboring county has such a classification and provide such rate, such rate being deemed to exist by reference in this document. If no neighboring county rate applies to the task, the Department shall undertake a special determination, such special determination being then deemed to have existed under this determination. If a project requires these, or any classification not listed, please contact IDOL at 217-782-1710 for wage rates or clarifications.

LANDSCAPING

Landscaping work falls under the existing classifications for laborer, operating engineer and truck driver. The work performed by landscape plantsman and landscape laborer is covered by the existing classification of laborer. The work performed by landscape operators (regardless of equipment used or its size) is covered by the classifications of operating engineer. The work performed by landscape truck drivers (regardless of size of truck driven) is covered by the classifications of truck driver.

MATERIAL TESTER & MATERIAL TESTER/INSPECTOR I AND II

Notwithstanding the difference in the classification title, the classification entitled "Material Tester I" involves the same job duties as the classification entitled "Material Tester/Inspector I". Likewise, the classification entitled "Material Tester II" involves the same job duties as the classification entitled "Material Tester/Inspector II".

Kane County Prevailing Wage for June 2015

Explanations**KANE COUNTY**

ELECTRICIANS AND COMMUNICATIONS TECHNICIAN (NORTH) - Townships of Burlington, Campton, Dundee, Elgin, Hampshire, Plato, Rutland, St. Charles (except the West half of Sec. 26, all of Secs. 27, 33, and 34, South half of Sec. 28, West half of Sec. 35), Virgil and Valley View CCC and Elgin Mental Health Center.

The following list is considered as those days for which holiday rates of wages for work performed apply: New Years Day, Memorial Day, Fourth of July, Labor Day, Thanksgiving Day, Christmas Day and Veterans Day in some classifications/counties. Generally, any of these holidays which fall on a Sunday is celebrated on the following Monday. This then makes work performed on that Monday payable at the appropriate overtime rate for holiday pay. Common practice in a given local may alter certain days of celebration. If in doubt, please check with IDOL.

EXPLANATION OF CLASSES

ASBESTOS - GENERAL - removal of asbestos material/mold and hazardous materials from any place in a building, including mechanical systems where those mechanical systems are to be removed. This includes the removal of asbestos materials/mold and hazardous materials from ductwork or pipes in a building when the building is to be demolished at the time or at some close future date.

ASBESTOS - MECHANICAL - removal of asbestos material from mechanical systems, such as pipes, ducts, and boilers, where the mechanical systems are to remain.

CERAMIC TILE FINISHER

The grouting, cleaning, and polishing of all classes of tile, whether for interior or exterior purposes, all burned, glazed or unglazed products; all composition materials, granite tiles, warning detectable tiles, cement tiles, epoxy composite materials, pavers, glass,

mosaics, fiberglass, and all substitute materials, for tile made in tile-like units; all mixtures in tile like form of cement, metals, and other materials that are for and intended for use as a finished floor surface, stair treads, promenade roofs, walks, walls, ceilings, swimming pools, and all other places where tile is to form a finished interior or exterior. The mixing of all setting mortars including but not limited to thin-set mortars, epoxies, wall mud, and any other sand and cement mixtures or adhesives when used in the preparation, installation, repair, or maintenance of tile and/or similar materials. The handling and unloading of all sand, cement, lime, tile, fixtures, equipment, adhesives, or any other materials to be used in the preparation, installation, repair, or maintenance of tile and/or similar materials. Ceramic Tile Finishers shall fill all joints and voids regardless of method on all tile work, particularly and especially after installation of said tile work. Application of any and all protective coverings to all types of tile installations including, but not be limited to, all soap compounds, paper products, tapes, and all polyethylene coverings, plywood, masonite, cardboard, and any new type of products that may be used to protect tile installations, Blastrac equipment, and all floor scarifying equipment used in preparing floors to receive tile. The clean up and removal of all waste and materials. All demolition of existing tile floors and walls to be re-tiled.

COMMUNICATIONS TECHNICIAN

Construction, installation, maintenance and removal of telecommunication facilities (voice, sound, data and video), telephone, security systems, fire alarm systems that are a component of a multiplex system and share a common cable, and data inside wire, interconnect, terminal equipment, central offices, PABX and equipment, micro waves, V-SAT, bypass, CATV, WAN (wide area network), LAN (local area networks), and ISDN (integrated system digital network), pulling of wire in raceways, but not the installation of raceways.

MARBLE FINISHER

Loading and unloading trucks, distribution of all materials (all stone, sand, etc.), stocking of floors with material, performing all rigging for heavy work, the handling of all material that may be needed for the installation of such materials, building of scaffolding, polishing if needed, patching, waxing of material if damaged, pointing up, caulking, grouting and cleaning of marble, holding water on diamond or Carborundum blade or saw for setters cutting, use of tub saw or any other saw needed for preparation of material, drilling of holes for wires that anchor material set by setters, mixing up of molding plaster for installation of material, mixing up thin set for the installation of material, mixing up of sand to cement for the installation of material and such other work as may be required in helping a Marble Setter in the handling of all material in the erection or installation of interior marble, slate, travertine, art marble, serpentine, alberene stone, blue stone, granite and other stones (meaning as to stone any foreign or domestic materials as are specified and used in building interiors and exteriors and customarily known as stone in the trade), carrara, sanionyx, vitrolite and similar opaque glass and the laying of all marble tile, terrazzo tile, slate tile and precast tile, steps, risers treads, base, or any other materials that may be used as substitutes for any of the aforementioned materials and which are used on interior and exterior which are installed in a similar manner.

MATERIAL TESTER I: Hand coring and drilling for testing of materials; field inspection of uncured concrete and asphalt.

MATERIAL TESTER II: Field inspection of welds, structural steel,

fireproofing, masonry, soil, facade, reinforcing steel, formwork, cured concrete, and concrete and asphalt batch plants; adjusting proportions of bituminous mixtures.

OPERATING ENGINEER - BUILDING

Class 1. Asphalt Plant; Asphalt Spreader; Autograde; Backhoes with Caisson Attachment; Batch Plant; Benoto (requires Two Engineers); Boiler and Throttle Valve; Caisson Rigs; Central Redi-Mix Plant; Combination Back Hoe Front End-loader Machine; Compressor and Throttle Valve; Concrete Breaker (Truck Mounted); Concrete Conveyor; Concrete Conveyor (Truck Mounted); Concrete Paver Over 27E cu. ft.; Concrete Paver 27E cu. ft. and Under; Concrete Placer; Concrete Placing Boom; Concrete Pump (Truck Mounted); Concrete Tower; Cranes, All; Cranes, Hammerhead; Cranes, (GCI and similar Type); Creter Crane; Spider Crane; Crusher, Stone, etc.; Derricks, All; Derricks, Traveling; Formless Curb and Gutter Machine; Grader, Elevating; Grouting Machines; Heavy Duty Self-Propelled Transporter or Prime Mover; Highlift Shovels or Front Endloader 2-1/4 yd. and over; Hoists, Elevators, outside type rack and pinion and similar machines; Hoists, One, Two and Three Drum; Hoists, Two Tugger One Floor; Hydraulic Backhoes; Hydraulic Boom Trucks; Hydro Vac (and similar equipment); Locomotives, All; Motor Patrol; Lubrication Technician; Manipulators; Pile Drivers and Skid Rig; Post Hole Digger; Pre-Stress Machine; Pump Cretes Dual Ram; Pump Cretes: Squeeze Cretes-Screw Type Pumps; Gypsum Bulker and Pump; Raised and Blind Hole Drill; Roto Mill Grinder; Scoops - Tractor Drawn; Slip-Form Paver; Straddle Buggies; Operation of Tie Back Machine; Tournapull; Tractor with Boom and Side Boom; Trenching Machines.

Class 2. Boilers; Broom, All Power Propelled; Bulldozers; Concrete Mixer (Two Bag and Over); Conveyor, Portable; Forklift Trucks; Highlift Shovels or Front Endloaders under 2-1/4 yd.; Hoists, Automatic; Hoists, Inside Elevators; Hoists, Sewer Dragging Machine; Hoists, Tugger Single Drum; Laser Screed; Rock Drill (Self-Propelled); Rock Drill (Truck Mounted); Rollers, All; Steam Generators; Tractors, All; Tractor Drawn Vibratory Roller; Winch Trucks with "A" Frame.

Class 3. Air Compressor; Combination Small Equipment Operator; Generators; Heaters, Mechanical; Hoists, Inside Elevators (remodeling or renovation work); Hydraulic Power Units (Pile Driving, Extracting, and Drilling); Pumps, over 3" (1 to 3 not to exceed a total of 300 ft.); Low Boys; Pumps, Well Points; Welding Machines (2 through 5); Winches, 4 Small Electric Drill Winches.

Class 4. Bobcats and/or other Skid Steer Loaders; Oilers; and Brick Forklift.

Class 5. Assistant Craft Foreman.

Class 6. Gradall.

Class 7. Mechanics; Welders.

OPERATING ENGINEERS - HIGHWAY CONSTRUCTION

Class 1. Asphalt Plant; Asphalt Heater and Planer Combination; Asphalt Heater Scarfire; Asphalt Spreader; Autograder/GOMACO or other similar type machines; ABG Paver; Backhoes with Caisson Attachment; Ballast Regulator; Belt Loader; Caisson Rigs; Car Dumper; Central Redi-Mix Plant; Combination Backhoe Front Endloader Machine, (1 cu. yd. Backhoe Bucket or over or with attachments); Concrete Breaker (Truck Mounted); Concrete Conveyor; Concrete Paver over 27E cu. ft.; Concrete Placer; Concrete Tube Float; Cranes, all attachments; Cranes, Tower Cranes of all types: Creter Crane; Spider Crane; Crusher, Stone, etc.;

Derricks, All; Derrick Boats; Derricks, Traveling; Dredges; Elevators, Outside type Rack & Pinion and Similar Machines; Formless Curb and Gutter Machine; Grader, Elevating; Grader, Motor Grader, Motor Patrol, Auto Patrol, Form Grader, Pull Grader, Subgrader; Guard Rail Post Driver Truck Mounted; Hoists, One, Two and Three Drum; Heavy Duty Self-Propelled Transporter or Prime Mover; Hydraulic Backhoes; Backhoes with shear attachments up to 40' of boom reach; Lubrication Technician; Manipulators; Mucking Machine; Pile Drivers and Skid Rig; Pre-Stress Machine; Pump Cretes Dual Ram; Rock Drill - Crawler or Skid Rig; Rock Drill - Truck Mounted; Rock/Track Tamper; Roto Mill Grinder; Slip-Form Paver; Snow Melters; Soil Test Drill Rig (Truck Mounted); Straddle Buggies; Hydraulic Telescoping Form (Tunnel); Operation of Tieback Machine; Tractor Drawn Belt Loader; Tractor Drawn Belt Loader (with attached pusher - two engineers); Tractor with Boom; Tractaire with Attachments; Traffic Barrier Transfer Machine; Trenching; Truck Mounted Concrete Pump with Boom; Raised or Blind Hole Drills (Tunnel Shaft); Underground Boring and/or Mining Machines 5 ft. in diameter and over tunnel, etc; Underground Boring and/or Mining Machines under 5 ft. in diameter; Wheel Excavator; Widener (APSCO).

Class 2. Batch Plant; Bituminous Mixer; Boiler and Throttle Valve; Bulldozers; Car Loader Trailing Conveyors; Combination Backhoe Front Endloader Machine (Less than 1 cu. yd. Backhoe Bucket or over or with attachments); Compressor and Throttle Valve; Compressor, Common Receiver (3); Concrete Breaker or Hydro Hammer; Concrete Grinding Machine; Concrete Mixer or Paver 7S Series to and including 27 cu. ft.; Concrete Spreader; Concrete Curing Machine, Burlap Machine, Belting Machine and Sealing Machine; Concrete Wheel Saw; Conveyor Muck Cars (Haglund or Similar Type); Drills, All; Finishing Machine - Concrete; Highlift Shovels or Front Endloader; Hoist - Sewer Dragging Machine; Hydraulic Boom Trucks (All Attachments); Hydro-Blaster; Hydro Excavating (excluding hose work); Laser Screed; All Locomotives, Dinky; Off-Road Hauling Units (including articulating) Non Self-Loading Ejection Dump; Pump Cretes: Squeeze Cretes - Screw Type Pumps, Gypsum Bulker and Pump; Roller, Asphalt; Rotary Snow Plows; Rototiller, Seaman, etc., self-propelled; Self-Propelled Compactor; Spreader - Chip - Stone, etc.; Scraper - Single/Twin Engine/Push and Pull; Scraper - Prime Mover in Tandem (Regardless of Size); Tractors pulling attachments, Sheeps Foot, Disc, Compactor, etc.; Tug Boats.

Class 3. Boilers; Brooms, All Power Propelled; Cement Supply Tender; Compressor, Common Receiver (2); Concrete Mixer (Two Bag and Over); Conveyor, Portable; Farm-Type Tractors Used for Mowing, Seeding, etc.; Forklift Trucks; Grouting Machine; Hoists, Automatic; Hoists, All Elevators; Hoists, Tugger Single Drum; Jeep Diggers; Low Boys; Pipe Jacking Machines; Post-Hole Digger; Power Saw, Concrete Power Driven; Pug Mills; Rollers, other than Asphalt; Seed and Straw Blower; Steam Generators; Stump Machine; Winch Trucks with "A" Frame; Work Boats; Tamper-Form-Motor Driven.

Class 4. Air Compressor; Combination - Small Equipment Operator; Directional Boring Machine; Generators; Heaters, Mechanical; Hydraulic Power Unit (Pile Driving, Extracting, or Drilling); Light Plants, All (1 through 5); Pumps, over 3" (1 to 3 not to exceed a total of 300 ft.); Pumps, Well Points; Vacuum Trucks (excluding hose work); Welding Machines (2 through 5); Winches, 4 Small Electric Drill Winches.

Class 5. SkidSteer Loader (all); Brick Forklifts; Oilers.

Class 6. Field Mechanics and Field Welders

Class 7. Dowell Machine with Air Compressor; Gradall and machines of like nature.

OPERATING ENGINEERS - FLOATING

Diver. Diver Wet Tender, Diver Tender, ROV Pilot, ROV Tender

SURVEY WORKER - Operated survey equipment including data collectors, G.P.S. and robotic instruments, as well as conventional levels and transits.

TRAFFIC SAFETY - work associated with barricades, horses and drums used to reduce lane usage on highway work, the installation and removal of temporary lane markings, and the installation and removal of temporary road signs.

TRUCK DRIVER - BUILDING, HEAVY AND HIGHWAY CONSTRUCTION

Class 1. Two or three Axle Trucks. A-frame Truck when used for transportation purposes; Air Compressors and Welding Machines, including those pulled by cars, pick-up trucks and tractors; Ambulances; Batch Gate Lockers; Batch Hopperman; Car and Truck Washers; Carry-alls; Fork Lifts and Hoisters; Helpers; Mechanics Helpers and Greasers; Oil Distributors 2-man operation; Pavement Breakers; Pole Trailer, up to 40 feet; Power Mower Tractors; Self-propelled Chip Spreader; Skipman; Slurry Trucks, 2-man operation; Slurry Truck Conveyor Operation, 2 or 3 man; Teamsters; Unskilled Dumpman; and Truck Drivers hauling warning lights, barricades, and portable toilets on the job site.

Class 2. Four axle trucks; Dump Crets and Adgetors under 7 yards; Dumpsters, Track Trucks, Euclids, Hug Bottom Dump Turnapulls or Turntrailers when pulling other than self-loading equipment or similar equipment under 16 cubic yards; Mixer Trucks under 7 yards; Ready-mix Plant Hopper Operator, and Winch Trucks, 2 Axles.

Class 3. Five axle trucks; Dump Crets and Adgetors 7 yards and over; Dumpsters, Track Trucks, Euclids, Hug Bottom Dump Turntrailers or turnapulls when pulling other than self-loading equipment or similar equipment over 16 cubic yards; Explosives and/or Fission Material Trucks; Mixer Trucks 7 yards or over; Mobile Cranes while in transit; Oil Distributors, 1-man operation; Pole Trailer, over 40 feet; Pole and Expandable Trailers hauling material over 50 feet long; Slurry trucks, 1-man operation; Winch trucks, 3 axles or more; Mechanic--Truck Welder and Truck Painter.

Class 4. Six axle trucks; Dual-purpose vehicles, such as mounted crane trucks with hoist and accessories; Foreman; Master Mechanic; Self-loading equipment like P.B. and trucks with scoops on the front.

TERRAZZO FINISHER

The handling of sand, cement, marble chips, and all other materials that may be used by the Mosaic Terrazzo Mechanic, and the mixing, grinding, grouting, cleaning and sealing of all Marble, Mosaic, and Terrazzo work, floors, base, stairs, and wainscoting by hand or machine, and in addition, assisting and aiding Marble, Masonic, and Terrazzo Mechanics.

Other Classifications of Work:

For definitions of classifications not otherwise set out, the Department generally has on file such definitions which are available. If a task to be performed is not subject to one of the classifications of pay set out, the Department will upon being contacted state which neighboring county has such a classification and provide such rate, such rate being deemed to exist by reference in this document. If no neighboring county rate applies to the task,

the Department shall undertake a special determination, such special determination being then deemed to have existed under this determination. If a project requires these, or any classification not listed, please contact IDOL at 217-782-1710 for wage rates or clarifications.

LANDSCAPING

Landscaping work falls under the existing classifications for laborer, operating engineer and truck driver. The work performed by landscape plantsman and landscape laborer is covered by the existing classification of laborer. The work performed by landscape operators (regardless of equipment used or its size) is covered by the classifications of operating engineer. The work performed by landscape truck drivers (regardless of size of truck driven) is covered by the classifications of truck driver.

MATERIAL TESTER & MATERIAL TESTER/INSPECTOR I AND II

Notwithstanding the difference in the classification title, the classification entitled "Material Tester I" involves the same job duties as the classification entitled "Material Tester/Inspector I". Likewise, the classification entitled "Material Tester II" involves the same job duties as the classification entitled "Material Tester/Inspector II".

Memorandum

To: Scott Skrycki, Assistant to the Administrator
From: Sam Hughes, Administrative Intern
Date: June 8, 2015
Re: Bartlett Fourth of July Fireworks

The Bartlett Fourth of July Committee is planning a fireworks display on July 4th as part of the 4th of July Festival.

The contractor, Melrose Pyrotechnic Inc. has received the appropriate permit from the Bartlett Fire Protection District for the fireworks, which is attached for your review. Also attached for your review is Melrose Pyrotechnics' certificate of insurance which has been approved by the village attorney, the appropriate state pyrotechnic distributor and operator licenses and a map which shows where the fireworks are to be lit off from.

Motion

I move to approve the fireworks display of the Bartlett Fourth of July committee for the 2015 festival, being held on July 4, 2015.

OFFICIAL PERMIT COPY

Bartlett Fire Protection District
Fire Prevention Bureau
234 N. Oak Avenue
Bartlett, IL 60103
(630)837-3701 Fax (630)837-4052

Fire Prevention Permit #: 15-002

Date Issued: April 27, 2015

Expiration Date: July 05, 2015

Event Date: July 04, 2015

Time: 9:00 pm—11:00 pm

Installation of: Fire Alarm System [] Sprinkler System [] Ansul System []
Above Ground Tank [] Other []

Activity: Fireworks Display [X] Bon Fire [] Other []

Activity: Bartlett Fourth of July Committee Annual Fire Works Display

Location: Bartlett Park District Grounds
Address: 700 S. Bartlett Rd.
Town: Bartlett, Illinois 60103

Applicant: Les Mayhew- Melrose Pyrotechnics, Inc. IL License # IL06-OPF-00030
Address: P.O. Box 302
Town: Kingsbury, IN 46345

The applicant hereby certifies to the correctness of all submitted information and agrees to perform the above activity in strict compliance of the Bartlett Fire Protection District Fire Prevention Code, NFPA Standards and Local Ordinances.

It is necessary to call for all inspections, including final inspection. Call the Fire Prevention Bureau at (630)837-3701. Inspections must be arranged by the applicant with the Fire Prevention Bureau 48 hours prior to the day the inspection is desired. When scheduling inspections, refer to the lot number if available, the address and the business name.

Proof of a current operators license issued by the Office of the Illinois State Fire Marshal has been provided along with Proof of Insurance, notification of Registered Assistants and a site plan. On site storage of fireworks shall be secured and supervised following ATF requirements and other applicable codes and standards. Provide an updated Illinois OSFM Pyrotechnic Operator License for the lead operator prior to the date of the display.

Approved: *Michael J. Kelly* Assistant Fire Chief

Memorandum

To: Valerie L. Salmons, Village Administrator
From: Paula Schumacher, Assistant Village Administrator
Date: June 5, 2015
Re: Carnival License Application

North American Midway Entertainment Company has submitted the carnival license application on behalf of the Bartlett Fourth of July Committee. The carnival is planned for July 2-5, 2015 at Apple Orchard Community Park.

State law requires owners of carnivals to conduct, at the time of hire, a criminal history record check and a check of the sex offenders registry for all carnival workers. North American Midway Entertainment Company is providing the background checks they did of their employees to our police department for review.

The company also submits a list of rides and our Building Department staff inspects them before the carnival can open for business.

The appropriate certificate of insurance has been submitted and reviewed by the Village Attorney. The application is attached for your review.

VILLAGE OF BARTLETT
CARNIVAL LICENSE APPLICATION

1. Business Name: North American Midway Entertainment
Address: 2200 W. Higgins Rd. Ste. 135
City: Hoffman Estates State: IL Zip: 60169

Re: Bartlett Lions Club Parade Request

The Bartlett Lions Club is requesting a parade permit for the Independence Weekend Parade on Sunday, July 5, 2015. The parade will begin at its traditional starting point at North and Oak Avenues and continue to Apple Orchard Community Park. Step off for the parade is at 1:00 p.m.

A map of the parade route is attached for your review, but the appropriate certificate of insurance has not yet been submitted by the Bartlett Lions Club and approved by the Village Attorney. However, approval can be granted pending the submittal and approval of the certificate of insurance.

Motion

I move to approve the parade permit request submitted by the Bartlett Lions Club for Sunday, July 5, 2015, pending the submittal and approval of the certificate of insurance.
